

The Assembly State of New York, Albany:

“World of Girls and Boys Leadership programs have proven to be successful due in large part to their academic and behavior mentors, who helps students be accountable. Teachers report that the students who have enrolled in the program have fewer behavioral issues and are more engaged in classes – unlike other programs, WOGBE leadership, not only as academic mentoring, but they also have a character mentoring component, as well that engages parents, school staff, professionals and the community. I feel that this company can provide valuable assistance tour students and at-risk youth”.

Sincerely,

Honorable Crystal D. Peoples- Stokes
Member, New York State Assembly, 141st District
