To whom it may concern,

As you probably know years of increasing budget cuts in our Tracy Community have dramatically affected our schools and especially our sports programs. The **West High School Baseball Program** is not an exception and this is why we rely on the generosity of our businesses and community members for assistance.

I'm writing this letter in the hopes that you will be able to help support our program. On February 8, 2019, West High School Baseball along with Home Field Advantage will be hosting our annual fundraiser dinner. This event is to raise funds to pay for uniforms, equipment, and other sports related fees.

**We are requesting gift cards, merchandise or gift baskets from your store to be auctioned off at our fundraiser dinner.**

The benefits of contributing are extremely valuable as our Baseball Program is teaching these student athletes skills, positive character traits, hard work, motivation and dedication. All things that will enable them in the future to go out into our community and become positive, productive citizens.

In addition to helping support our youth all donations are tax deductible (Tax ID. 68-0467152). We know that without support from our community these student athletes' experiences are limited. Please help us support these programs.

On behalf of our young student athletes, players, coaches, parents and fans we say

**"THANK YOU!"** and look forward to your support.

If you have any questions or require additional information, please feel free to reach out to me at any time.
