HOLA Gala 2026!

One Night. Endless Impact.

Since our incorporation as a 501(c)(3) nonprofit over 20 years ago, our mission has been to enhance appreciation of cultural diversity and promote the successful inclusion of Latinos in the community.

Thanks to the generosity of our Gala donors, in 2025 we opened doors to new opportunities including:

- Leadership Scholarships to participate in the HOLA Professional Development Series (HPDS).
- A free STEM Summer Camp, in collaboration with Ivy Tech and AstraZeneca, inspiring innovation and leadership among youth.
- College Scholarships for students who don't qualify for other financial aid.
- 35 free English learning licenses to strengthen language skills.
- A free Big Data Workshop providing in-demand tech training.

Together, we are building pathways to education, leadership, and opportunity.

Celebrate with us these successes and help shape an even brighter future.

HOLA Professional Development Series 4th Cohort

Empowering Leaders, Transforming Futures!

The HOLA Professional Development Series is a transformative program led by faculty from the University of Southern Indiana, University of Evansville, and Ivy Tech Community College. Through this initiative, more than 50 professionals have gained leadership tools, advocacy skills, and the confidence to strengthen their organizations and communities.

Join us at the HOLA Gala 2026, a celebration where culture, leadership, and opportunity come together to open doors and build brighter futures.

Sponsorship OPPORTUNITIES

Presenting Sponsor – \$7,500

One reserved table for 8 guests, with two bottles of champagne and two drink tickets per guest. Exclusive recognition as Presenting Sponsor in all event promotions (print, digital, social media, and signage). One complimentary participant in the HOLA Professional Development Series (HPDS).
