CF-KF02 CF-KF03 CF-KF04

Feature of Product

- Front frame KD structure, transport and assemble easily.
- Superior and thicker steel plate, ensure 55kg big loading for each drawer.
- Three-section full-extension ball bearing sliding, easy to pull silently.
- Anti-tilt function; only one drawer can be opened at a time.
- Central control locking system located on the top drawer, durable and high safety.

Model	Size/mm	KD Packing Volume	Fitting
CF-KF02	H716*W460*D600	0.049m³	2 drawers

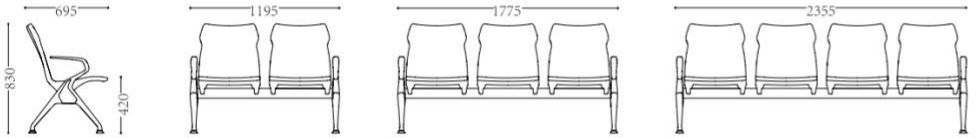
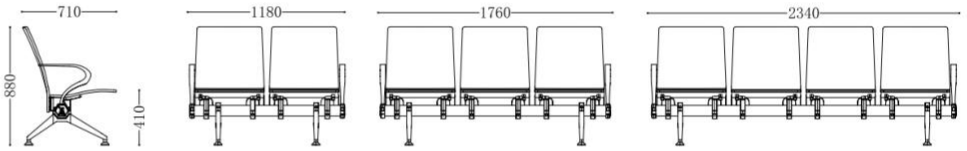
Public Seating

Build a beautiful public space with focus

CF-9062

CF-9062SG





SPECIFICATION:

Optional Armrest/ Leg 1:
Made of composite nylon + glass fiber, injection molded through special precision molds.

Optional Armrest/ Leg 2:
Die-casting aluminium alloy with polish treatment and sprayed with static powder.

Seat/ Back:
High-density polyurethane(PU) built-in high quality cold-rolled steel plate, high-speed pressure molding.

Beam:
The high-quality iron square tube has load-bearing and stability, and the surface is electro-statically sprayed after derusting treatment.

SPECIFICATION:

Armrest/ Leg/ Bracket:
Die casting aluminium alloy with polish treatment and sprayed with static powder.

Seat/ Back:
High density polyurethane(PU) with metal frame inside.

Beam:
High intensity hexagonal metal tube, with superior load-bearing capacity and stability.

COLOR OPTION

SPECIFICATION:

Optional Armrest/ Leg 1:
With cold-roll steel, metal paint, sprayed static powder after polishing and antirust treatment.

Optional Armrest/ Leg 2:
Die-casting aluminium alloy with polish treatment and sprayed with static powder.

Seat/ Back:
High density polyurethane(PU) with metal frame inside.

Beam:
Use high-quality triangular steel tube, sprayed with air-conditioning outdoor paint powder, strong safety performance.

SPECIFICATION:

Armrest/ Leg/ Bracket:
The split backplane is molded with high density polyurethane (PU) (built-in steel frame).

Seat/ Back:
High quality aluminum alloy die casting after direct polishing, the surface of electrostatic powder spraying treatment or polymer nano treatment.

Beam:
Using high-strength triangular cold-rolled steel tube with moisture-proof and rustproof treatment, it has super bearing capacity and stability.

Fipo

CF-A03

Fipo Luxe is the state-of-the-art theatre seat featuring with ergonomic padding, crafted wood armrest and sophisticated tablet system.
If you are looking for a refine chair look to enhance ambiance without compromising on function, Fipo Luxe would be definitely the perfect choice beyond your expectation.

Louisville

CF-10601P

- Polypropylene outerback & seat panel
- Cold-molded foam for remarkably comfortable lumbar support
- Full upholstered end panel with PP arm cap, writing tablet available
- Tip-up seat with counterweight mechanism

Performer

CF-20601

- Polypropylene outerback and seat pan
- Ergonomic cushion shaped with lumbar support
- Dual-spring tip-up seat mechanism
- Hardwood armrest with anti-panic writing tablet
- Powder coated steel end panel
- High or low back available

Lano

CF-19601

- Fully upholstered outerback and seat panel
- Ergonomic cushion shaped with lumbar support
- High impact PP armrest
- Strong steel structural support with full upholstered end panel

Herman

CF-9612

- Plywood outerback and seat pan with wood veneer finish
- Cold-moulded foam for optimal comfort
- Hardwood armrest with stowed ABS writing tablet (A3 size)
- Arms can be customized to fit built-in audio system
- Tip-up seat with combination of spring and damping mechanism

Performer

CF-13601NC

- Polypropylene outerback and seat pan
- Counterweight tip-up seat mechanism
- PP armrest with plywood writing tablet
- PP end panel
- High or low back available

Arthur

CF-A02-1

Arthur series auditorium seat stands out for its great flexibility in different types of stanchions and multiple finishing options.
Choosing from U shape, T shape or single pedestal to suit your specific needs.
The easily open and fold wood writing tablet adds functionality for informative purpose space.

Arthur

CF-A05-1

Arthur series auditorium seat stands out for its great flexibility in different types of stanchions and multiple finishing options.
Choosing from U shape, T shape or single pedestal to suit your specific needs.
The easily open and fold wood writing tablet adds functionality for informative purpose space.

Mclane

CF-6618

- Optional full upholstered or plywood outerback and seat
- Cold-molded foam for years of exceptional performanc
- Polypropylene arm cap, writing tablet available
- Space saver - only 21" wide
- Stylish, low back profile

Milo

CF-12601

- Fully upholstered outerback & seat pan
- High-desity foam for comfort
- Retractable polypropylene or hardwood armrest
- Tip-up seat with counterweight mechanism
- Single pedestal support

Glaston

CF-6619

- Optional full upholstered or plywooded outerback/ seat panel
- Slim back design and ergonomic seat cushion
- Optional polypropylene or wooden arm cap with writing tablet
- Space saver with only 21" seat width
- Tip-up seat with counterweight mechanism

Arcadia

CF-20603

- Plywood outerback and seat pan
- Ergonomic cushion shaped with lumbar support
- Hardwood armrest with wood veneer finish
- Steel standard with hardwood end panel

Maestro

CF-813B

- Swivel food table
- Lift-up middle arm
- Powered adjustable headrest
- Full upholstered arm padding- replaceable if required

Millennium

CF-818

Millennium features a high function design that creats the perfect angle for full-body relaxation. Recline the seat and the powered-adjustable headrest, you can enjoy the ideal weight distribution which helps optimize blood circulation and reduce pressure on the neck, back and legs with perfect sightline.

Muno

CF-7801
