*The history of the United States is relatively short, the early stage is the pioneering period*

**T** American classical country style with a strong rural atmosphere, enjoy as the highest principle, in the fabric, sofa leather, emphasize its comfort, feel loose and soft, furniture represented by the colonial period, large volume, thick texture, cushion is also increased, completely the European royal nobility of the past furniture, style and practical. American furniture is mainly made of white oak, mahogany, or cherry wood, with simple lines. At present, most of the rural style refers to the rural style of the American West. Western style uses jointed wood and quilting, mainly using locally available pine and maple, without carving, still retains the original texture and texture of wood, and deliberately adds antique scars and moth-eaten marks to create an antique texture and show the original rough American style. In the aspect of modeling design, point and surface, straight and oblique should be organically matched, and the ceiling, space and various materials need to be closely combined to make people feel clear and crystal clear space. In furniture configuration, simple and bright, practical and generous, emphasizing function first, form obey function. Modern simple style accessories are the most eclectic of all home decoration styles. Some simple lines, unique design and even highly creative and personalized accessories can become a member of the modern simple style of home decoration.

美式古典乡村风格带着浓浓的乡村气息，以享受为最高原则，在布料、沙发的皮质上，强调它的舒适度，感觉起来宽松柔软，家具以殖民时期的为代表，体积庞大，质地厚重，坐感也加大，他们将以新欧洲皇室贵族的极品家具平民化，气派而且实用，美式家具的材质以白橡木、桃花心木、或樱桃木为主，线条简单，目前所说的乡村风格，绝大多数指的都是美式西部的乡村风格。西部风格运用有节木头以及拼布，主要使用可就地取材的松木、枫木，不用雕饰，仍保有木材原始的纹理和质感，还刻意添上仿古的瘢痕和虫蛀的痕迹，创造出一种古朴的质感，展现原始粗犷的美式风格。

**C** American furniture is loved by many people because of its simple and practical design style and smooth lines. Nowadays, American-style furniture is mainly used in the decoration of luxurious homes and offices, and can also be seen in villas or high-end hotels. In some upscale hotels or villas can see many placed in the hall or corner of the American furniture, most of these American furniture is some of the European style of classical American furniture. In American furniture, many people like to use solid wood as a frame, and then with a variety of carving, embroidery or metal decoration, in order to achieve the three-dimensional sense of furniture.

# JUST FOR LIFE

J When it comes to classic furniture, the most popular style nowadays is American classic furniture; Classical style dominates American furniture. Tall and heavy appearance, exquisite details, original, natural and simple color, give people a noble but not ancient feeling, it is one of the characteristics of classical style, exquisite reflected in the carved flowers, even if the size of the furniture, still can not cover up the exquisite details. The charm of American classicism lies in its unique sense of history, and its meaningful and timeless demeanor represents an outstanding master's taste of life. The quintessential art of classicism is embodied in details that have been harmonized by history, so it has a strong humanistic flavor.

美式家具由于其简单实用的设计风格和线条流畅而受到许多人的喜爱。现在,美式家具主要用于装饰豪华的家庭和办公室中,在别墅或高档酒店也可见到美式家具的身影。在一些高档酒店或别墅区内可以见到许多摆放在大厅或角落中的美式家具,这些美式家具多数是一些具有欧式风格的古典美式家具。在美式家具中,许多人喜欢采用实木做框架,再配上各种雕刻、刺绣或金属等装饰,以达到家具的立体感。有的人也喜欢用玻璃做装饰,这样的家具给人以现代感。如果在美式家具中再配上一些木制的地板就更显得华贵了。
