01 A06068 (Contigo)

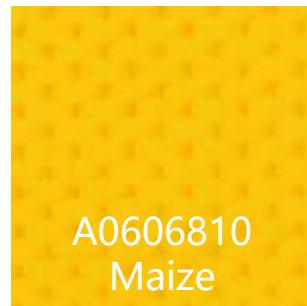

This brand-new knitted fabric product is inspired by raindrops and crafted with unique techniques, vividly showcasing the enchanting ripples created when raindrops fall onto the ground. It allows you to feel as if you are immersed in nature, experiencing its beauty.

This fabric not only features a three-dimensional texture with undulating patterns, but also has excellent breathability and even extension in all directions, providing a great sense of elasticity.

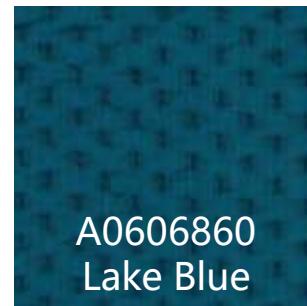

In addition, it is stain-resistant, easy to care for, and comfortable to wear, making it an ideal choice for creating unique furniture pieces and high-quality furnishings.

05 Heatwave

Outdoor

This Sunbelievable outdoor fabric is made from premium high-sunlight resistant acrylic fibers, employing a 100% solution-dyed acrylic process, also referred to as acrylic fabric, which guarantees enduring vibrancy of colors and exceptional quality.

With specialized treatments such as triple protection (3-proof) and TPU membrane waterproofing, along with the use of high-quality materials, the fabric boasts excellent resistance against prolonged exposure to sunlight, rain, and weathering, ensuring a durable performance over a period of five years.

The fabric exhibits strong resistance against stains, making it difficult for them to penetrate or adhere, thus simplifying cleaning and maintenance.

This series of fabrics uses a special weaving technique to create a bamboo knot effect on the surface, combining a crisp feel with a natural and unpretentious style.

The multi-colored effect gives the fabric a natural color and provides rich visual enjoyment for people.

It exudes a fashionable atmosphere amidst its simplicity, elegant beauty within its roughness, and emits a low-key texture.

With a rich layering and high color saturation, the fabric presents a pure and simple modern style.

Due to its durability, comfort, and rich color characteristics, the Chenille fabric is suitable for home furnishings such as fixed sofas, chairs, pillows, etc., and has high practical value.
