Reframing Your Workplace

Confiza

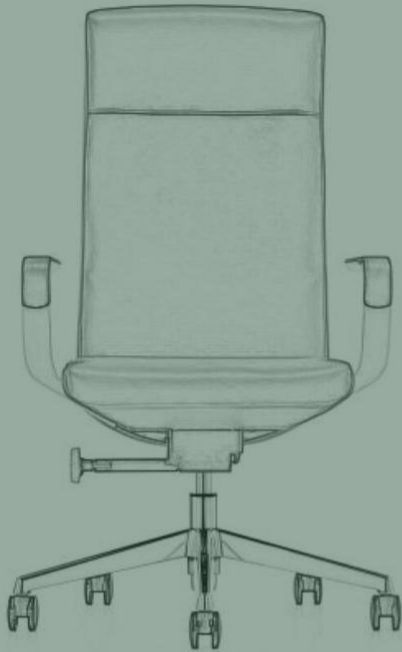

retains the original furniture design style, and strives for perfection in every detail, which is not only fashionable, but also functional and distinguished.

The cultural connotation of the enterprise is integrated with the design and quality detail through all efforts to "constantly innovate", adhering to the style of hard work and dedication to create a strength of the boutiques.

Confiza

also has its own unique aesthetic and design philosophy. We keep up with the trend of the times and always incorporate the most advanced design elements to break through the limitations of tradition.

With modern and simple modeling arts, it is the right embellishments in the modern style furniture, reflecting the unique beauty and charm of the office spaces.

No mechanism

The mechanism-free design leverages the two outer frames of the seat for balance support.

Synchronized Seat & Back

When you lean back, the synchronized seat & back will fit the natural extension trend in real time to support the waist and back.
