Table & Desk & Cabinet

2025 COLLECTION

Reframing Your Workplace

Confiza

retains the original furniture design style, and strives for perfection in every detail, which is not only fashionable, but also functional and distinguished. The cultural connotation of the enterprise is integrated with the design and quality detail through all efforts to "constantly innovate", adhering to the style of hard work and dedication to create a strength of the boutiques.

Confiza

also has its own unique aesthetic and design philosophy. We keep up with the trend of the times and always incorporate the most advanced design elements to break through the limitations of tradition. With modern and simple modeling arts, it is the right embellishments in the modern style furniture, reflecting the unique beauty and charm of the office spaces.

Production System

Confiza's Sophisticated automatic machinery are mainly imported from Germany ,Italy,and Switzerland."6S Standard" is strictly implemented for a clean and organized working environment.

Warehousing Management

Lean warehousing management system , On time feedbacks for order demand and production materials.

Avia

The name Avia is derived from Aviva
which means life or vitality.

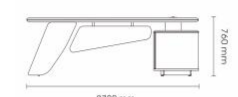

Dual-flip Cover Wire Box + Base
Dual-flip wire boxed for an enhanced user experience, fostering a more efficient office environment.

Gaddi

Gaddi integrates the shape of the car into the product design, and highlights the tension of the foot shape. The design inspiration of the Gaddi series comes from the curve shape of the rear of the car. The overall line is smooth and generous, and exquisite temperament is exuded in the stability, full of a strong sense of technology and the modern sense of the times.

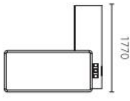

Modern craft Fashionable pursuit

The foot shape design inspiration comes from the curve shape of the rear of the car, which integrates the car shape into the product design, highlights the tension of the foot shape, and applies the metal texture of the car; the roundness of the desktop makes the table more elegant, the overall line is smooth and generous, and the flexible temperament is exuded in the stability, full of a strong sense of the technology and the appearance of the times.

Feigeli

The fusion of fashion and composure

The line of the atmosphere ,the sedate style and the style of sagacious passion,the Executive Table release its charm.
Composed tonal with natural grain,shows dignified temperament,it's composed and rigorous with savour.

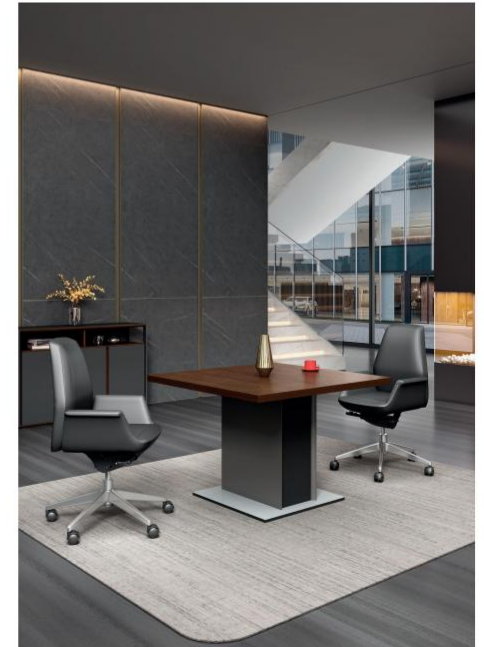

The demand for space is not the pursuit of vast,luxury or colorful,what we need is to get rid of the sense of urgency,free to expand our soul ,enrich our vision.

Simple and tough lines outline a fashionable and efficient office space, multi-function storage bookcase expands the office space,partition storage.

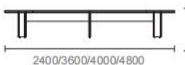

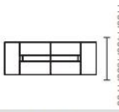

Excellent ,extraordinary type and spirit show the exhibition of the office new elegant demeanor.Delicate life shows wonderful interpretations.
