

DESIGN

A unique and avant-garde line: the expression of the innovative talent of Zodiac Nautic. Pure jewel of the seas, is N - ZO the perfect synthesis between the know-how of the RIB global leader and the purity of the Italian design by Vittorio Garroni, S-tube, rigid nose.

COMFORT

The generous height of the freeboards, thanks to the size of the tubes and the specific structure of the hull, transforms the cockpit in a "cocoon" for its passengers.

ERGONOMICS

The new N - ZO are pleasure boats, to share. A special attention has been paid to the passengers' comfort, in navigation and at mooring, thanks to an optimized space on board. The development of the deck plan has been designed to facilitate and secure travel aboard.
