Please remember at registration **that classes start on September 6, 2022, and end on May 31.** Our **End of the Year Show** will be on **Saturday, May 6<sup>th</sup>**. Students in Ballet III/IV/V/VI will be required to prepare and participate in a demonstration class.

We strongly encourage each eligible student to participate in our ACRO program (TAHLEQUAH) regardless of competition involvement – this is a unique opportunity we cannot guarantee for next year and it is important for a well-rounded development of our dancers.

**Back to Ballet session** will take place in Tahlequah this year (August 8 – August 11, 4-7 pm). All students are encouraged to attend, as the pointe readiness test will be given in the end of the week.

Pointe class requires director`s approval and preparedness test. If a student does not pass the test, there will be tests given during the year and when the criteria are met, student`s ability to go en pointe will be reevaluated. This is done for the safety of your dancer.

Thank you for always being supportive of our programs. We are excited for what progress and adventures this year will bring! Let`s dance.
