

How to Become a Loop Pure Client: A Step-by-Step Process

Step 1: Get an Instant Quote

Start by filling out our instant quote form, where you'll enter details about your Airbnb or short-term rental. You'll receive a transparent pricing breakdown based on your property's size and needs. After submitting your quote request, one of our representatives will call you to answer any questions or concerns before moving forward.

Step 2: Schedule an Introductory Cleaning (with 20% Off!)

Once you've spoken with a Loop Pure representative and feel like we might be a good fit, we'll schedule an introductory cleaning at 20% off. This cleaning allows us to showcase our high standards, hospitality-level service, and attention to detail before making any commitments.

Step 3: Evaluate & Decide

After the introductory cleaning, you'll have the chance to evaluate our service. If you're satisfied and feel that Loop Pure is the right fit for your property, we'll move forward with the next step.

Step 4: Property Integration into Our System

Once you decide to move forward, we'll add your property to our unique system, which allows us to:

- Sync with your calendar to schedule cleanings automatically.
- Create a custom cleaning checklist based on the specifics of your property.
- Upload a photo checklist so cleaners always follow your exact setup.

From this point on, you won't need to interact with cleaners directly - everything will run smoothly through our system.

Final Step: Enjoy Hassle-Free Cleanings!

That's it! After onboarding, we handle all your turnover cleanings seamlessly, ensuring your guests always walk into a spotless space.
