## Paper Presentations:

All paper submissions will be peer reviewed and must be based on original research, demonstrating use of primary sources. Only one paper submission per person will be accepted and only papers that have not previously been presented at AHC are allowed.

Sessions are 90 minutes in length and consist of three individual paper presentations, grouped by subject matter, allowing for a maximum of 25 minutes for each presenter. Due to time constraints, we will accept only twelve paper proposals. The convention will provide equipment

needed for PowerPoint presentations. Notification of acceptance will be sent in late April of 2026.

Poster Presentations:

Posters are limited to the standard size of 36" x 48". AHC will provide foam boards and easels to display the posters. We encourage all poster presenters to use the breaks between sessions to discuss their posters with attendees.

**The deadline for all poster submissions is September 20, 2026.**
