Continuing along with *hilchos vestos*, we are now going to deal with a *veset kavua*. There are 5 types of *veset kavuas* and we are going to deal with although today we will deal with 2 of them. First, there are 4 *dinim* that are important to know:

**Din #1:** A *veset kavua* can only be established if it takes place during the same *ona* all 3 times.

**Din #2:** Just like it takes 3 consecutive times to establish a *veset kavua*, so too it takes 3 times of *not* seeing then to uproot the *veset kavua*.

**Din #3:** If a *veset kavua* was uprooted, the first time it she sees on that *veset* again, her *veset kavua* is reestablished.

**Din #4:** Once a woman has a *veset kavua* she doesn't need to worry about *veset sh'aino kavua*.
