Last time we dealt with the 2 reasons which every *harchaka* is based on: either due to *kirva* or lest the couple may touch. Now, we are going to explain the 5 categories which *harchakos* can be broken into:

In the upcoming *shiurim* we will cover each one, from left to right. Let's start to give a few examples of cases and their respective *dinim* for Things Which May Cause Attraction.

Case/Example	Muttar/Assur	Reason	Source	Possibility to <i>mattir/ossur if...</i>
Wife Wearing Perfume	Best not to	Leads to attraction – קירבה	חוקת הטהרה	Muttar "if no other option"
Husband Smelling Wife's Perfume	Assur	Leads to attraction – קירבה	פתחי תשובה	-
Wife Wearing Deodorant/Husband Smelling Her Deoderant	Muttar	Meant to prevent sweating, and husband doesn't enjoy the smell	חוקת הטהרה	-
Dressing- Up	Muttar	Want the husband to look at her favorably; If she doesn't get dressed up it can cause <i>shalom bayis</i> issues	גמרא שבת, מחבר & Rav Ovadya	Best to avoid <i>overly</i> dressing up, when possible.
