CAPRICORN - December 22 - January 19

Patience is an important ingredient for manifesting result. There will always be a slight pause or delay as the universe works her magic. Take this time to call on your inner strength. Things will be moving along again before you know it!

AQUARIUS - January 20 - February 18

Now that you have come fully into your power, you are ready to make an important decision. Your tenacity is leading you to the heart of your passions, and a new world is opening up for you. Balance, harmony, and love surround you!
