## Down Memory Lane

We are going through our file photos and need some help identifying the photos of people we have Scooped over the years. So this photo says it was taken at Dee's Marbel Grill... Do you know who these people are in this photo, can you please tell us: Who? and When? Call the Scoop office and let us know (215) 309-3139 or email us [editorial@phillyscoop.com](mailto:editorial@phillyscoop.com).

**ARIES - March 21- April 19**  
 You've got butterflies about the renewal of something or someone you love. You've put in the work, and now you've got yourself a brand new start plus all the bells and whistles to match. Enjoy the energy of falling in love all over again!

**TAURUS - April 20 - May 20**  
 You have so much love to give, as you're completing a long cycle of learning about what true love is. In order to give and receive love, we must first make the choice to do so. You are ready for a new start where you take chances in love and passion.

**GEMINI - May 21 - June 21**  
 There is much to celebrate as you leave a difficult mental situation. When you're at your lowest, self love will remind you of why embracing a more authentic part of yourself is so important. Your happiness relies on your inner will to be and love better.

**CANCER - June 22 - July 22**  
 A new beginning is here for you, thanks to you focusing on your own fulfillment. There's no better time than the present to start gathering all you'll need to meet your goals. Do your research, believe in destiny, and be ready to take a leap of faith!

**LEO - July 23 - August 22**  
 A burning desire deep down inside has you willing to start over and make a clear decision about what you want. You are ready to do whatever it takes, starting from the bottom and working your way up. Listen to your soul, it's telling you "YES!"

**VIRGO - August 23 - September 22**  
 It's okay to retreat from the party to gain a bird's eye view on how you got to where you are and where you're headed. Even in the midst of good times, keep your strength to help you continue to move forward. Give thanks, pat yourself on the back, and keep the party going!

**LIBRA - September 23 - October 22**  
 Life is feeling oh so tantalizing, as you attract stability through your creative and alluring spirit. A sweet burn of passion lights you up, as you walk through life victoriously. Keep the fire going by dressing, eating, and thinking well!

**SCORPIO - October 23 - November 21**  
 You are finally ready to change your mind about the way you've been feeling about a loss. One thing may be gone, but there is still plenty waiting for you around the corner. It's time to suit up and take back control of your life!

**SAGITTARIUS - November 22 - December 21**  
 Wow! All of your wishes are coming true right now! Or, you are at least getting glimpses here and there of what it will feel like when they do. Remember these feelings, for in the future, they will guide you toward the kind of happiness that makes your soul shine!

**CAPRICORN - December 22 - January 19**  
 Mask off, mask off! Someone is ready to let go of the baggage because it's their time to shine their light! You're ready to reap your rewards and welcome in love and stability. The wheel of fortune is in your favor!

**AQUARIUS - January 20 - February 18**  
 Inner balance is allowing you to have a fresh take on how you use your mental abilities. Releasing old patterns in thought processing will open up space in your heart and mind to receive abundance. Keeping your mind balanced will keep your heart young!

**PISCES - February 19 - March 20**  
 You may find yourself searching your emotions to understand why you want something new. Whether you are contemplating the birth of a child, a new business opportunity, or a newer version of yourself, knowing what makes you happy and why will give you all the strength you need to keep pushing ahead!
