Celebrating 58 Years of Community News

Horoscopes

by Jessica Monét Holman

ARIES - March 21- April 19
 Learn to enjoy the responsibility you have to others. Be patient, kind and understanding as others look to you as an example and a stable hearted being.

TAURUS - April 20 - May 20
 When things seem like they are going in slow motion, take advantage of the time warp to sharpen your focus. Stay true to yourself so when things move forward again you'll be right where you should.

GEMINI - May 21 - June 21
 You've been practicing at life for some time, and now you're beginning to see the fruits of your labor. Enjoy this space of peace, thankfulness and abundance!

CANCER - June 22 - July 22
 You are ready to move onward at full steam for what you know is yours. Keep balanced your outward experiences with your inner feelings and you will reach your destination shortly!

LEO - July 23 - August 22
 There is a genuine and secret magic unraveling your heart and exposing it to merciless charm. It's okay, just melt right into it!

VIRGO - August 23 - September 22
 The most stable things are light in nature and easy to recognize to the trained heart. Bask in the simplicity of all things practical as you attract lasting foundations.

LIBRA - September 23 - October 22
 Happy days are here, and there, and everywhere! Optimism is your best friend right now, walk with her and watch the blessings pour in.

SCORPIO - October 23 - November 21
 You are finally starting to see the light within your darkness. There are so many treasures waiting for you to find when you look deeper.

SAGITTARIUS - November 22 - December 21
 Your fire filled passions have made your thinking sharp and you're ready to stand up for your path. Your heart and your mind are two powerful partners! Wow!

CAPRICORN - December 22 - January 19
 Your energy is beautiful, but don't let it hold you back through superiority. There are better ways to live out your genius.

AQUARIUS - January 20 - February 18
 You've got a magic wand and you know what to do with it! Create, express, and move on up! — with style of course.

PISCES - February 19 - March 20
 There is a grounding energy present that is new for you, and opening you up to a world that you didn't know existed. This is the life you've always wanted, hold fast and breathe it all in!

Down Memory Lane

We are going through our file photos and need some help identifying the people we have Scooped over the years. Do you know who the other people are, in this photo. If so, please tell us: Who? and When? Call the Scoop office and let us know (215) 309-3139 or email us at info@scoopusamedia.com.
