- LEO - July 23 - August 22**
 Having power and authority automatically increases your level of responsibility. Domination and dictatorship have no place in love.
- VIRGO - August 23 - September 22**
 Making changes may seem scary at first, but nothing important ever happens without leaving something old behind. Be willing to start something with a fresh outlook.

- CAPRICORN - December 22 - January 19**
 You may feel like you are losing a part of yourself, but don't worry. What you are losing is the part of you that says "I can't," and you are gaining the part of you that says "I WILL."
- AQUARIUS - January 20 - February 18**
 There is a familiar feeling from your past that is making its way to your future. The time has come to merge all timelines and create the life you deserve.
