

Midlands STEM Charter School is seeking a motivated head coach and program leader to lead our girls volleyball team into a competitive region and state participant in SCHSL Class A Region 2. We have current teaching vacancies available for our 2024-2025 school year and all teaching certifications will be considered. Interested candidates should complete the online application (midlandsstem.org) and forward a letter of interest and resume to Louise Cathcart, Human Resource, at lcathcart@midlandsstem.org.

Minimum and Preferred Qualifications:

Head high school coaching experience is desired.

Committed to building the program through summer camps, Spring/Summer speed and conditioning. Building relationships with the recreation department and middle school programs.

Committed to mentoring, and leading the middle school coaches. Working effectively with the middle school administration and coaches to build a top-notch feeder program.

Must be a great communicator and teammate to the school. Have the ability to build positive and committed relationships with students, staff members, parents, community, and booster club members. We are not only seeking a positive coach, but a self-motivated leader with potential to grow.

CDL preferred, but not required.

Comprehensive knowledge of the rules and fundamentals of volleyball.

Maintain current CPR/AED and First Aid certification, required.
