ART on the Square Holiday Show IN the San Mateo County History Museum
Sat Nov 21, 10am – 4pm

2020 marks our 14th year of bringing ART to Redwood City. We showcase original photography, jewelry, glass, fiber art and more at prices for every budget. We present four outdoor shows each summer, our November Holiday Show IN the San Mateo County History Museum, and our H'ART Squared benefit for Kainos. Most of our artists and shoppers live in the area, making ART on the Square an integral part of the local economy.

ART on the Square 2020 Sponsor Benefits

Premier sponsors' logos are displayed on our gorgeous color postcards and posters distributed throughout downtown Redwood City and at strategic locations in San Mateo County. We place A-frames on Courthouse Square with 24" x 36" color posters. Premier and Patron sponsors' names, along with a link to their websites are featured on ART on the Square's webpage and in the signature line of all our emails.

We do extensive social media and email marketing. Sponsors are thanked for their support in targeted posts on all our platforms and in e-blasts to our subscribers.

Attendance at our Friday shows averages from 3,000 to 5,000. Attendance at the PAL Music Festival averages 10,000+. Our sponsorship program provides free booths to arts related organizations and allows the San Mateo County History Museum to be free to the public on the day of our Holiday Show. We offer a variety of options that make it possible for organizations of all sizes and individuals, to participate. Contact Beth Mostovoy at artonthesquarerwc.beth@gmail.com or 650-224-4992 to start reaping the benefits of sponsorship.
