

How Sponsorship Benefits Our Community

We believe that art creates strong and vibrant communities. Thanks to the generosity of our sponsors ART on the Square is able to do the following:

- We provide Community Booths free of charge at each summer show to local non-profits and schools with an arts component. These groups serve emerging artists, under-served communities, children, youth, people with disabilities, and more.
- The San Mateo County History Museum waives their fee to the public for our Holiday Show. Our event typically attracts over 750 visitors to the museum, many of whom are seeing it for the first time.
- Sponsor support allows us to keep our artist fees affordable, and to cover the expenses incurred to produce and promote our shows.
- Over the years we've lent our support with donations and fund-raising to Kainos, "a place for adults with intellectual and developmental disabilities to flourish," and the Redwood City Police Activities League.

How Sponsorship Benefits Our Sponsors

We couldn't produce five quality shows a year without sponsor support. We offer a variety of options for businesses, organizations, and individuals. Depending on the level you choose, benefits may include:

- A shout-out from the stage as part of the gift certificate drawing during the band's intermission at each Summer Season show.
- Sponsors' names or logos prominently placed on print media for all our shows. This includes jumbo postcards, posters, A-frames, and more.
- Sponsors are thanked on multiple paid Facebook and Instagram posts prior to each show. These posts reach audiences of thousands of local art lovers.
- Sponsors' names and links to their websites are listed on our website, in our e-newsletters, and below the signature area in all our emails.
- Sponsors are thanked on a 24x36 A-frame at each Summer Season show and at the Holiday Show, as well as on 11x17 posters at each Community Booth at the Summer Season shows.
- Redwood City promotes our Summer Season shows as part of their summer events on Courthouse Square, and they have a direct link to our website on their website.
