

HOW SPONSORSHIP BENEFITS OUR COMMUNITY

Our sponsorship program supports ART on the Square. We believe that art creates strong and vibrant communities. Thanks to the generosity of our sponsors:

- We provide Community Booths free of charge at each summer show to local non-profits and schools with an arts component. These groups serve emerging artists, children, youth, people with disabilities, under-served communities, and more.
- The San Mateo County History Museum is free to the public for our annual Holiday Show. The show attracts over 750 visitors to the museum, many of whom are seeing it for the first time.
- Our artist fees remain affordable. And, we're able to cover the expenses to produce and promote ART on the Square.
- We've supported Kainos, "a place for adults with intellectual and developmental disabilities to flourish," and the Redwood City Police Activities League with donations and fundraising events over the past 18 years.

HOW SPONSORSHIP BENEFITS OUR SPONSORS

We couldn't produce five quality shows every year without the support of our sponsors. We offer a variety of sponsorship options for businesses, organizations, and individuals. Depending on the level you choose, the benefits of sponsorship may include:

- Sponsors' names or logos prominently placed on print media for all ART on the Square shows. Print media includes jumbo color postcards, posters, A-frames, and more.
- Sponsors are thanked on multiple Facebook and Instagram posts prior to each show. These posts reach targeted audiences of thousands of local art lovers.
- Sponsors' names and links to their websites are listed on our website, in our e-newsletters, and below the signature area in all our emails.
- Community Booth Sponsors are listed by name with their websites on a full color flyer and on an A-frame thanking them for their sponsorship at all of our Summer Season shows.
