MEMBERSHIP and GARDEN PLOT GUIDELINES and PLEDGE:

By signing this agreement you agree to pledge and follow the guidelines of the **Root 66 Garden** (Please note – this document is a work in progress and will likely be updated as issues arise as we move through this first growing year):

- As a garden member I pledge to abide by the rules of the **Root 66 Garden**.
- If I/we must abandon the plot for any reason, I will notify the garden administrator.
- I will keep trash out of the plot, and respect neighboring plots. I will take away trash and litter and discard in designated waste containers.
- I will not bring pets to the garden.
- If my plot becomes neglected, I will be given 2 weeks notice to clean it up. At that time, it will be re-assigned or tilled in.
- I will abide by the watering rules (set timers for watering at night due to less expensive electrical rates); other watering may be done during the day while you are on site working in your plot, but do not let times run during the day; fix any water leaks as soon as possible.
- Be bee aware! An additional “bee etiquette” will be provided.
- I will not plant illegal or poisonous plants.
- I will not garden after sundown or before sunrise.
- I will be responsible for the supervision of any children I bring to the garden.
- Gardeners are responsible for maintaining pathways surrounding their garden plot.
- Each garden plot should have a stake with their plot number on it.
- Be considerate of your neighbors. Do not plant sprawling or tall crops that might interfere with other plots.
- When I use tools I will always be aware of the safety of others and myself.
- I will harvest only from my assigned plot.

- I will mulch with hay, grass clipping, or leaves to reduce water evaporation. Plastic mulches are prohibited.
- I will place all weeds, plant residue, and organic waste in designated compost areas only.
- **The Root 66 Garden** cannot guarantee protection against vandalism or theft. Any vandalism should be reported to the garden administrator. I appreciate the need for security of the garden and garden plots and will ensure that I report any suspicious activity.
- I pledge not to interfere with the rights and opportunities of others using the plots and garden in general.
- If I change my address or am going to be absent for a period longer than three months then I will notify the Committee.
- I will abide by strict organic gardening principles for the management of pests and diseases. I will only use certified organic materials and if the product I want to use does not have certification then I will have the product endorsed by the Committee prior to its use. **Non certified organic products acceptable at the garden:** Any animal manure – ideally this should be composted first; Blood and Bone with or without trace elements; Sulphur Organic 2000 – processed chook poo with lucerne – pellets; Rock dust; Bentonite; Zeolite; Seaweed or fish emulsions
- I understand that my participation at the garden is at my own risk. **The Root 66 Garden** is not liable for any injury to me, my invited friends, nor for the loss of any of my possessions.
- I understand that for the garden to be successful I will need to donate additional time for the good of the garden. **We ask every member to donate at least 2 hours every month to volunteering for the betterment of the Garden.** Please mark three areas that you are interested in volunteering with during the season:

- ___ Site maintenance
- ___ Working the FoodShare table
- ___ Path maintenance
- ___ Construction projects
- ___ Watering
- ___ Annual planting
- ___ Fall cleanup
- ___ Composting
- ___ Social events/Fundraising

I (We) have read the **Root 66 Garden** Guidelines and understand that failure to meet the guidelines will result in the loss of gardening privileges. I (We) also understand that the **Root 66 Garden** and its agents accept no liability for incidents that occur with this program.

BASIC BEE ETIQUETTE FOR COMMUNITY GARDEN MEMBERS

1. Foraging bees on plants are generally docile. However, if there is significant bee activity and you need to prune, arrive at dusk when the bees start heading home to respect their space.
2. Stay at least 50 feet away from all hives unless accompanied by an approved beekeeper. Bees are defensive of their homes.
3. Bananas smell like the honey bee alarm pheromone. Please leave the bananas and the banana breath elsewhere.
4. Fragrances can either attract bees or agitate bees. It is best to garden fragrance free.
5. This community garden is managed organically to help protect pollinators. Please use organic pesticides like neem sparingly.
6. If we see a swarm or in case of emergency, call (909) 660-3072 .
7. Bees need water; however, to avoid bee / human interaction, schedule your water to go off at night and after your scheduled completion time. Fix all leaks promptly.
8. If you need to schedule hive closure for work that involves noises or vibrations within 350 feet of the hives, we must receive 48 hours notification and the temperatures during the closure must remain under 75 degrees.
9. Pets are not allowed within 50 feet of any hives.
10. Class students and approved beekeepers must wear appropriate clothing (no black, close toed shoes, jeans, shirt, baseball cap, and full beekeeping suit with beekeeping gloves).

As a community garden member and / or volunteer, by signing and participating, my visitors and I agree to abide by the above "Bee Etiquette". We agree to waive and release the community garden, Bee Rooted, and the beekeeper from any and all potential claims for injury, illness, or death which may arise and agree to hold the community garden non-profit and beekeepers harmless there from. This includes any harm that might result from working around or with bees and beehives.

This agreement acts as a complete release of liability for any harm that may be incurred which at or near the community garden.

ADVISEMENT OF RISK, RELEASE AND MEDICAL AUTHORIZATION

Please read this form carefully and be aware that in registering for participation in the **Root 66 Garden** you are advised of the risks that you may experience as a result of participating in this Program. Gardening is an activity in which, despite preparation, instruction, medical advice, conditioning, and equipment, there is still a risk of injuries such as the following. This list is by no means complete or exclusive, but includes:

- 1. Muscle strain and other muscle injuries.
- 2. Foot problems.
- 3. Heat stroke or heat exhaustion

I release all claims that may arise against, and agree not to sue, the **Root 66 Garden** and its officers, agents, employees and authorized volunteers, on my behalf as a result of participating in the **Root 66 Garden**. I further agree to indemnify, hold harmless and defend the **Root 66 Garden** and its officers, agents, employees, and authorized volunteers from any and all claims by other parties resulting from injuries, damages, and losses caused by me arising out of, connected with, or in any way associated with the activities of the Garden. In the event of any emergency, I authorize the **Root 66 Garden** staff or volunteers to secure from any licensed hospital, physician, and/or medical personnel any treatment deemed necessary for my immediate care and agree that I will be responsible for payment of any and all medical services rendered.
