## Additional Considerations

I agree that I will not start any projects without the expressed permission of the Garden's manager and/or Board of Directors.

I may make agreements with the Garden to volunteer in exchange for food, or other considerations.

If I spend money on a project that was not approved by the manager or the Board, I will consider that a donation. If I spend money on a project with the permission of the manager or the Board, I will get approval first and then submit receipts for reimbursement.
