

As a garden member I pledge to abide by the rules of the Root 66 Garden.

- If I/we must abandon the plot for any reason, I will notify the garden administrator.
- I will keep trash out of the plot, and respect neighboring plots. I will take away trash and litter and discard in designated waste containers.
- I will not bring pets to the garden.
- If my plot becomes neglected, I will be given 2 weeks notice to clean it up. At that time, it will be re-assigned or tilled in.
- I will abide by the watering rules (set timers for watering at night due to less expensive electrical rates); other watering may be done during the day while you are on site working in your plot, but do not let times run during the day; fix any water leaks as soon as possible.
- Be bee aware! An additional "bee etiquette" will be provided.
- I will not plant illegal or poisonous plants.
- I will not garden after sundown or before sunrise.
- I will be responsible for the supervision of any children I bring to the garden.
- Gardeners are responsible for maintaining pathways surrounding their garden plot.
- Each garden plot should have a stake with their plot number on it.
- Be considerate of your neighbors. Do not plant sprawling or tall crops that might interfere with other plots.
- When I use tools I will always be aware of the safety of others and myself.
- I will harvest only from my assigned plot.
- I will mulch with hay, grass clipping, or leaves to reduce water evaporation. Plastic mulches are prohibited.
- I will place all weeds, plant residue, and organic waste in designated compost areas only.
- **The Root 66 Garden** cannot guarantee protection against vandalism or theft. Any vandalism should be reported to the garden administrator. Please appreciate the need for security of the garden and garden plots and report any suspicious activity immediately.
