Goals and Objectives

The first and largest series of medical festivals in the Kurdistan and Iraq, which will be held for the second year in(Azadi Park in Sulaymaniyah) , (Baba Gur Gur 2, Kirkuk,) for two days. Authorized by the Iraqi Ministry of Health and the Sulaymaniyah Health Directorate . which includes raising awareness of citizens and the community by publishing health leaflets and discussing medical issues related to health and conducting more than 40,000 free checks by an expert and trained medical staff of free doctor members.

Aim of the project :-

- 1- Raising the level of awareness and science of the society in general .
- 2- Reducing the burden on the shoulders of the citizens by conducting free inspections.
3. Providing suitable conditions for citizens who can receive health care at the same time to ensure their health.

Ability and expected profitability in the project :-

Benefiting 1,000 people per day by conducting more than 20,000 checks and receiving health brochures and providing medical and health instructions in one day .

General ability for two days includes benefiting 2,000 citizens and conducting 40,000 free medical checks, distributing 4,000 health leaflets.

WHO ARE THE PREPARATORY STAFF ?

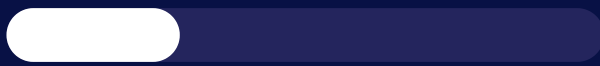

Free Doctor's Medical Staff , which consists of 270 graduates and medical students .The owners of several short-term, long-term and annual projects, including the FDU project in Kirkuk (120), Sulaymaniyah (70) and Erbil (160) clinics, laboratories and pharmacies, are participating in free treatment of poverty peoples. A nonprofit charitable organization working for humanity and public health was established on 7-1-2019.

It has been granted and registered in Iraq and Kurdistan with the permission of the Council of Ministers no. 11912008 and at the Kurdistan NGO Office no.5,260.

Conferences and medical projects are allowed to develop medical capabilities in Iraq and Kurdistan, which have so far benefited 80,000 people from the total number of projects.

Note : All the services of the festival are free of charge.
