

Local elections: 5th May 2022
Ask your local council candidate:

How will you support parents who have concerns about guidance their child's school is using?

Local elections: 5th May 2022
Ask your local council candidate:

How can you support parents to raise safeguarding concerns in their child's school?

Local elections: 5th May 2022
Ask your local council candidate:

How will you support parents who have concerns about guidance their child's school is using?

Local elections: 5th May 2022
Ask your local council candidate:

How will you support parents to ensure single sex facilities are protected in their child's school?

Local elections: 5th May 2022
Ask your local council candidate:

Will you speak up for women and children?

Local elections: 5th May 2022
Ask your local council candidate:

Will you help parents to challenge guidance in schools which suggests keeping critical information from them about their own children, despite this contradicting all safeguarding and child protection guidance?

Local elections: 5th May 2022
Ask your local council candidate:

Will you help parents to establish what their children are being taught during sex education? This is particularly appropriate for children with additional support needs.

Local elections: 5th May 2022
Ask your local council candidate:

Will you prioritise children's safety?

Local elections: 5th May 2022
Ask your local council candidate:

Are you aware that girls as young as 7 are not using school toilets all day due to 'boys being in them'?

Local elections: 5th May 2022
Ask your local council candidate:

Did you know that children in school are being compelled to use speech that they don't agree with?

Local elections: 5th May 2022
Ask your local council candidate:

Are you aware that 'affirmation' and 'social transition' are being encouraged in schools, despite evidence that shows this is harming children and families?

Local elections: 5th May 2022
Ask your local council candidate:

Did you know that trauma, bullying, neurodiversity and sexual orientation are being overlooked in schools when a child says they're questioning their gender? Removing them from safeguarding frameworks?
