

# School-Based Program

**Building Leaders, Elevating Futures**

**Flexible. Fundable. Designed to Support Student Success**

## BE EMPOWERED

A dedicated session for young women focusing on:

- Healthy relationships and self-worth
- Confidence, leadership, and resilience
- Navigating social pressures with clarity and strength

## KINGMAKERS COMMUNITY

A dedicated session for young men focusing on:

- Mental health and emotional awareness
- Defining manhood with integrity and responsibility
- Building the discipline and courage to lead

## COLLAB SESSION

Where lessons intersect

- Learning how to co-exist with respect and accountability
- Practicing communication skills that uplift, not divide
- Building a culture of partnership and shared success

## WORKFORCE READINESS

Prepares students for first jobs, internships, and postsecondary transitions.

- Professional behavior and workplace expectations
- Communication and self-advocacy
- Resumes, interviews, and career confidence

## BE The B.O.S.S. Series Build – Own – Serve - Succeed

Introduces youth to entrepreneurship, leadership, and ownership.

- Idea development and leadership mindset
- Responsibility, money basics, and teamwork
- Personal “Boss Plan” for school, business, or life

## Youth-Led Violence Prevention Series

Focus on prevention through emotional regulation, de-escalation, and peer leadership.

- Conflict awareness and decision-making
- De-escalation and bystander leadership
- Youth-led safety and peace-building strategies

## Bringing Transformation Directly Into Your School

All programs are offered through a fee-based partnership model and can be customized by age group, schedule, and school goals. Funding-aligned options are available.
