

ENRICHMENT PROGRAMS

Our enrichment programs provide hands-on, experiential learning that allows youth to explore their interests, build real-world skills, and discover new opportunities.

Through creative, innovative, and engaging experiences, youth gain confidence, develop their talents, and are exposed to career pathways that can lead to brighter futures.

Our enrichment programs are facilitated by industry professionals and community partners who are passionate about investing in young people and helping them reach their full potential.

DJ ACADEMY

In Partnership With

EMILIO BUCKS

Youth learn the art of DJing, music production, and audio engineering while building creativity, confidence, and career-ready skills in the music industry.

RE ROOTED IN FOOD COOKING CLASS

In Partnership With

FOUR JEWELS CATERING

Youth develop culinary skills, learn about healthy eating, and explore career opportunities in the food and hospitality industry through hands-on cooking experiences.

STEAM

In Partnership With

TOOLS FOR THE TALENTED

Youth explore science, technology, engineering, arts, and math through interactive projects and real-world learning experiences that build problem-solving skills and innovation.

TEEN SAFE DRIVING

In Partnership With

THE HONORABLE JUDGE SAINDON

Youth learn the rules of the road, safe driving practices, and the importance of responsibility behind the wheel, helping them build confidence and make safe choices.

MIC CHECK: PODCAST & VOICEOVER ACADEMY

New in 2027

Youth learn podcasting, voiceover techniques, media production, and storytelling skills while exploring careers in digital media, broadcasting, and entertainment.

VISUAL STORYTELLING

New in 2027

Youth learn photography, videography, and digital storytelling to create powerful visual content that amplifies their voices, captures their communities, and inspires change.
