Accountant

We are currently looking to add an Accountant to our growing company! Starting wages up to \$40,000/yr! Join a great team environment in our newly expanded office! Dean health insurance, plus dental/vision coverages, paid time off and more available!

About Us:

S & L Companies is a Culver's Franchise Restaurant Group located in Portage, WI. Our office provides accounting, payroll, marketing, operations, and HR services for our restaurants. We take pride in the Culver's brand, and we are passionate about building and operating successful Culver's franchises. We currently have over 60 Culver's restaurants in four states, and we continue to grow.

About You:

You are a highly organized, accurate accountant. You are happiest when you understand your priorities so you can be efficient and independent. You like that your job is not just about accurate numbers; that it's about reconciling, collaborating and teamwork. Technology doesn't scare you and neither does being a part of a successful restaurant group which is growing quickly. You like being flexible when exploring new tasks and you have a friendly and respectful personality.

Full Time Benefits:

- Vacation accrual and paid personal days
- · Company matched 401k
- · Dean Health Insurance
- · Dental and vision insurance
- · Colonial Life supplemental insurance (disability, critical illness, life, accident, etc.)
- · Meal discounts on lunch

About the Position:

We are seeking a full-time accountant to join our team in Portage. Some of the job functions include:

- · General ledger including sales and payroll entries
- · Reconcile bank statements
- · Process entries and payments for company credit cards
- · Assist with year-end tax and audit
- · Maintain and monitor monthly recurring entries and accruals
- · Assist with bank setup documents and vendor credit applications
- · Reconcile general ledger accounts and resolve disputes
- · Assist with the preparation of monthly financial statements
- · Approve accounts payable invoices and payments
- · Assist with implementation of additional policies and procedures

Education:

Associates degree or higher preferred

Wage Range: \$17.79 - \$19.23 (\$37,000 - \$40,000)

Job Type: Full-time
