ST. Peter's Rock Mission Ministry is on the move. Invariably, the mission supports and participates in all local, district, state, and some national ministries. The Mission leads the praise and worship devotional service with a special presentation on each 5th Sunday of the year.

- Supporting our youth extravaganza on campus in October 2024 to attract the community youth/residents.
- Prepared and served hot carry-out meals to the needy on Thanksgiving Day.
- In our monthly meetings we the members are kept alert and aware of our involvement and obligation to Little Rock City Mission, Union District and State meetings. Members of the Mission voluntarily give brief summaries of the monthly lessons.
- The Mission led the congregation in filling gift bags of supplies and food. Also distributed them to Arkansas Baptist College, the homeless/needy, our sick and shut-in members.
- St. Peter's Rock Mission hosted the Union district on Parade in April as well as the district youth convention this year.
- We supported the church sponsored community district basketball game. Five neighborhood youth males participated.

MISSION MINISTRY - 2025

Dear Friends,

Our Mission Ministry at Liberty Hill has had a fruitful and exciting first half of 2025. We began our year by welcoming an entirely new set of officers including our president (Jacquelyn Hawkins), vice-president (Bobbie Ransom), and our secretary (Sharon McBride). Our meetings are held monthly on second Saturdays at Liberty Hill Green House starting at noon. We have had in person meetings available as well as a conference call option at every meeting.

We try to stay productive in our community as well as in our church, this year we have played a part in the E. C. Morris District on Parade, Gift Shower, and the Back to School Bash hosted by Liberty Hill.

We provided newborn clothes, diapers a car seat, and other necessities to a family expecting a newborn. We spearheaded a church-wide donation collection and drop-off for the displaced students from Job Corp to Shorter College. We have also donated snacks for Baptist Health Critical Care waiting room.

We continue to partner to partner with the ministries within our church to be of service in any way necessary.

Our love and desire to serve continues to expand as we enter the second half of this year.

With Blessings and Hope,
Liberty Hill Baptist Church
