

Attention: David Johnson
The State of California, Office of Legislative Counsel

RE: THE PSYCHEDELIC-ASSISTED THERAPY ACT OF CALIFORNIA (PAT-ACT)

Dear Mr. Johnson,

Please prepare the text of a proposed initiative which will do as follows:

- **Allow privately-funded research into the therapeutic and medical applications of psychedelic medicines at no cost whatsoever to the state or the taxpayers.**
- **Allow the use of psychedelic medicine for medical and therapeutic purposes.**
- **Authorize certified medical and therapeutic professionals to write a recommendation for a patient or a client to use psychedelic medicines for medical and therapeutic purposes.**
- **Authorize a patient or a client of a certified medical or therapeutic professional to possess psychedelic medicine as specified in a written recommendation from the certified medical or therapeutic professional.**
- **Authorize a patient or client to consume psychedelic medicine as recommended by a certified medical or therapeutic professional.**

Thank you very much.

I hereby solemnly swear that I am registered to vote in the State of California as follows:
