- Seven Powder Coat colors: Medium Gray, Pewter (light gray), Black, White, Almond, Brown, and Arch Brown. Powder Coat finish frames must have backs.
- Please specify part number, inside dimension, outside depth, inside depth, and color.
- All frames are available with optional matte black metal inside suitable for changeable magnetic signs. Black plastic is also available inside and outside instead of masonite. See price list (up charge applies).
- Prices are for frames up to 100 perimeter inches. Please fax for quote on larger frames.
- Holes available upon request at no extra charge.
- Net price is calculated by multiplying the perimeter inch price by the perimeter inches of the frame.

Example: A 340 2" x 8" = 2 + 8 + 2 + 8 = 20 perimeter inches  
20 perimeter inches x Cost per inch = Net Price

Add the length of all internal dividers to perimeter inches

- Lead time may vary for special colors on desk, counter, corridor and ceiling.
