Join Beyond Horizons Tour & Travel as we travel to Alaska! On this trip we will visit Anchorage, Talkeetna, Denali, and Kenai Fjords National Park!

Kick off the trip in Anchorage where guests will spend the first night in a local hotel. From Anchorage we will travel to Talkeetna, stopping at a local dog-sledding kennel to learn about the history of the Last Great Race.

We will travel from Talkeetna to Denali aboard a luxury train with dome windows offering a 360-degree view. While enjoying lunch on the train you will have unobstructed views of the breathtaking scenery and wildlife.

While in Denali we will venture into the Denali National Park on a Tundra Wilderness Tour. During the tour keep your eyes open for bear, moose, caribou, Dall sheep, and more.

Board a deluxe motorcoach and head from Denali to Girdwood, home to Alaska's largest ski resort and arial tram. While in Girdwood enjoy the day at your leisure.

Finally, we will head over to Seward along the scenic Seward Highway. We will visit Girdwood, home to Mt. Alyeska, where guests will take an arial tram rube up the mountain.

Explore a gold mine and learn about the impact that it has had on Alaska. Here guests will have the chance to find their own gold!

Also enjoy a glacier and wildlife cruise into Kenai Fjords National Park with lunch while aboard the cruise.
