THE CINCINNATI RECYCLING AND REUSE HUB MANAGER WILL BE THE PRESENTER FOR OUR AUGUST MEETING

August 19, 7:00 PM

**Nathanael Greene Lodge, 6394 Wesselman Rd
Mulberry Room (lower level)**

One of the most environmentally active groups in the Greater Cincinnati area is "The Hub," located at 911 Evans Street, off I-75. There you will

& Reuse Hub**

find that you can recycle items that are not accepted by any other entity in our region. The Hub's mission states: "to revolutionize how people think about "things" and to provide a place where almost anything can be recycled or reused. We want to help mitigate the effects of climate change by increasing recycling, reuse, and landfill diversion rates in the greater Cincinnati area." The Hub is a collaboration of organizations with a convenient, one-stop location that all people turn to when they have to get rid of any item allowing for resource recovery, repurposing, or recycling. We are educators of sustainability, promoters of innovation, and stewards of the Earth."

We have hosted representatives of the Hub a couple of times in the past, but it's been a few years and their capabilities and operations have dramatically expanded. So if you think you know how the Hub operates and what they accept you may be surprised to hear about the scope of their function today! Even the most dedicated recycler among us will have questions about what Rumpke, or the grocery store or Hefty Renew will actually accept and what could be termed "wish-cycling!" They have all the answers. Plus they have whole new departments that repair and reuse discarded items you can obtain from them. So come to this meeting armed with your questions and learn the opportunities to be a better steward for the health of our planet. Acquire the knowledge you need to be more effective and conscientious in your recycling habits. We hope to have you join us for this important learning experience!

Note: in the June issue we mistakenly named the Hub the Hamilton County Recycling and Reuse Hub. The correct name is in their logo above. We apologize for any confusion we may have caused.

IN SEPTEMBER WE WILL HOST HISTORY AUTHOR PETER BRONSON AS WE CELEBRATE OUR COUNTRY'S 250TH BIRTHDAY

Green Township

Please join our group on September 16, when history book author and former columnist for the Cincinnati Enquirer, Peter Bronson, will educate and entertain us. Peter will share the exciting stories he wrote in his book *Promised Land: How the Midwest Was Won*, about the Revolutionary War veterans who settled Kentucky, Ohio and Cincinnati when it was known as "The Miami Slaughterhouse" because of the savage depredations by the Miami and Shawnee tribes. Hear about ancient serpent-worshippers; how Cincinnati saved Texas in 1836; the secret Knights of the Golden Circle who plotted to create a slave empire; how "Mad Anthony" Wayne tamed the Northwest Territory and created Ohio, Michigan, Indiana, Illinois and Wisconsin and the harrowing adventures of a young boy who was taken by the Shawnees. It will be an exciting and educational presentation and we hope you will attend!
