REPS FROM HAMILTON COUNTY PUBLIC HEALTH WILL DISCUSS SEPTIC SYSTEMS REGULATIONS

AT FEBRUARY MEETING

February 15, 7:00 | Green Township Senior Center, 3620 Eply

Registered Environmental Specialists from the Hamilton County Public Health Division of Water Quality will present information on residential septic systems, specifically, what are current regulations and what homeowners can expect regarding future regulations, rate changes and inspections. They will also discuss issues around current storm water management and sewer regulations.

If you are a homeowner that uses a septic system on your property it will be an informative and helpful discussion with questions from the audience included.

OUTDOOR WINTER FUN FOR THE WHOLE FAMILY

**Maple Sugar Days with Great Parks
February 25 and 26, noon – 4pm
Farbach-Werner Nature Preserve
3455 Poole Road, Cincinnati 45251
Registration required**

A favorite event for the whole family, Maple Sugar Days celebrates the awakening of trees as they prepare for spring with the traditional technique of making maple syrup.

Join in for a weekend of discovery: Learn how the sticky sap from the maple tree is turned into a sweet delicacy with fun crafts, demonstrations, hikes and a sampling of tasty maple treats. This year, to provide everyone a safe Maple Sugar Days experience, the event is being held entirely outdoors.
