### IT'S ALL ABOUT TREES FROM JEFF WEBELER OF WHITE OAK GARDEN CENTER AT THE MARCH MEETING

**Wednesday, March 19, 7:00 PM**

**Green Township Senior Center, 3620 Epley**

How to choose them, site selection, planting instructions, care and maintenance and new varieties will be discussed at our March meeting. Owner of White Oak Garden Center, Jeff Webeler, will be educating our audience and answering your questions. Trees are some of the longest-lasting and biggest (in size and money!) plant investments you choose for your landscape. So come and hear one of our most popular presenters share his extensive knowledge on the subject. Take this opportunity to learn from the best. We hope you will join us!

### GREAT PARKS OF HAMILTON COUNTY WILL TEACH US ABOUT WILDFLOWERS IN APRIL

Regrettably, we had to cancel our planned meeting in February because of the terrible weather, so we didn't get to hear the representative from Hamilton County Great Parks, Stephanie Morris, tell us about Maple Sugaring. Her next available date is April, so she will talk about a topic that is a little more appropriate subject for spring: wildflowers!

### BICENTENNIAL PARK ON DIEHL ROAD IS GETTING A NEW PLAYGROUND

As we have now reported on our list of road repairs in 2025, the walking trail at Bicentennial Park will be rehabbed. There are drainage issues and degraded pavement that will be addressed. In addition there is new playground equipment and it will be open soon!
