NO MEETINGS OVER THE WINTER, BUT WE'LL PUBLISH A NEWSLETTER IN JANUARY

Over the last 30 years GTCA held meetings in January and February, but almost every year we have had to cancel one of those two meetings due to inclement weather. The decision has always had to come at the last minute, which is inconvenient for both attendees and presenters, so we are now suspending member meetings for the next 3 months: December, January and February. We will meet again on March 18. However, we don't want to be out of touch with our members all winter long, so we plan to publish a winter newsletter about mid-January.

This newsletter will include information regarding our March meeting. That information includes a move in 2026 to hold our monthly member meetings in a new space, the Mulberry Room at Nathaniel Greene Lodge, on Wesselman Road. The Mulberry Room is on the first floor of the lodge, so when you pull into the drive you turn into the parking lot on the left to enter that ground level entrance. As we invite residents of Dent and Bridgetown to join our group, the Lodge is a more central location for members to meet, which is the reason that drives our decision to move. We're excited to expand our reach to residents in these other areas of the township and we will publish more details about our speaker and our new location in that January issue. In the meantime we wish all of our members a healthy, safe and prosperous winter season in 2025 and 2026!
