GREEN TOWNSHIP ENERGY AGREEMENT AND NW SCHOOL BOARD CANDIDATES ARE ON THE AGENDA AT THE OCTOBER MEETING

October 20, 7:00 PM

Green Township Senior Center | 3620 Eply

Green Township has chosen Constellation Energy services for the Natural Gas Aggregation Program with our community. This is a continuation of the agreement we already had in place in recent years. The Township Administrator, Frank Birkenhauer, will be at the meeting to explain the program and the process used to determine how an energy provider is chosen for the program. He will answer questions you may have about this choice and how the program affects your Duke Energy bill. One thing we can tell you: there is no action necessary on your part to participate in the program. The Township has negotiated a favorable rate on our behalf.

We will also have some of the candidates for Northwest Schools School Board present to give a brief presentation and answer your questions. All of the candidates were invited. As of this writing we cannot confirm how many candidates will be at the meeting but at least two have already confirmed they will be present to meet with us.

WE WILL BE AT THE KULIGA PARK TRUNK OR TREAT!

MHWOCA will be passing out candy to the kids at this event. We hope to see you there!

KULIGA PARK
