## WE WILL HOST SCHOOL BOARD CANDIDATES AT OUR OCTOBER MEETING

It is our custom to introduce local candidates for public office and Northwest School Board to give presentations to our members in October. We will be inviting this year’s candidates to give presentations and answer questions for our audience.

## MHWOCA WAS AT KIDS FUN DAY!

One of the many free family events hosted by Green Township is Kids Fun Day, a day to promote and celebrate outdoor exercise and a healthy lifestyle for our kids! The event was held at Veterans Park, on August 26. There were many activities and entertainment for kids of all ages to enjoy. Our Association had a booth at this event where we challenge kids to jump rope and gave them a free jump rope to take home with them. We always enjoy meeting and interacting with the families of Green Township! We had fun too!
