- 10 a) (i) Nominations for officers of divisions shall be made at the first regular meeting in September
11 preceding the date of election; no member who is not eligible for election at the time of nomination
12 shall be nominated for office. Members in good standing desiring to place their nominations for
13 division officers may nominate by voice from the floor at the meeting at which nominations are
14 being held; and those unable to attend the above meeting on account of being on vacation, sick,
15 working, or on an outlying assignment may write their choice of nominations to the division
16 secretary-treasurer, who will read same at the meeting.
- 17 (ii) The secretary-treasurer of each division shall post a notice at terminals and on Rail Conference
18 bulletin boards at least thirty (30) days prior to the meeting at which nominations are to be held,
19 such notice to state the time, date, place and purpose of such meeting.

24 should he desire to do so.
- 25 c) A member who is present, eligible and nominated at the division meeting at which nominations are held
26 may decline to accept such nomination at the time of being nominated or may do so by submitting to
27 the secretary-treasurer of the division, within five (5) days thereafter, a written request that his name be
28 stricken from the ballot.
- 29 d) A member may not accept nomination for two (2) or more offices that cannot be held simultaneously.
30 In the event he is nominated for more than one (1) of such offices, he must select the office for which
31 he wishes to stand as a candidate. (see Division Rules, Section 2(c))
- 32 e) In the event of irregularities in the nomination of officers, protest must be filed in writing with the Rail
33 Conference President within fifteen (15) days after alleged violation. The Rail Conference President
34 will conduct an investigation and render a decision. Any member dissatisfied with such decision may
35 appeal such decision, within thirty (30) days to the Executive Board, whose decision shall be final and
36 binding.

SECTION 8**ELECTION - HOW CONDUCTED**

- 1 a) Not less than fifteen (15) days prior to date of election in divisions, the secretary-treasurer shall deliver
2 to each member of his division, by government mail, directed to his last known address, a ballot
3 together with two (2) envelopes, one (1) of approximately 3-1/2 x 6-1/2 inches and one (1) of
4 approximately 4 x 9-1/2 inches. The ballot will list all nominees for each office in alphabetical order.
5 The ballot and return envelopes must also be accompanied by written notice of time, date, place and
6 purpose of the election. The smaller envelope shall be for the purpose of containing the voted ballot
7 and should be sealed and placed within the larger envelope for return of the ballot. The larger envelope
8 must contain space for the member's name and return address, must have first-class postage affixed
9 thereto, and must contain the division number and address of a post-office box, which must be rented
10 for the election by the secretary-treasurer of the division. The contents of the post-office box must not
11 be accessible to any officer or member until the ballots are picked up on the date of the election. If a
12 post-office box is not available, the division will determine an alternative method of receiving, securing
13 and delivery of the ballots.
- 14 The ballot is to be filled out by the member in whose name it is to be voted, naming his choice for
15 officers. The completed ballot must then be folded and placed in the small envelope that is provided for
16 that purpose. The small envelope must then be sealed and placed in the larger envelope, upon which
17 the member will clearly mark, or have a preprinted envelope with, their name and return address before
18 placing same in the government mail for delivery to the post-office box designated thereon.
- 19 Immediately prior to the election and following the date designated for the return of the ballots, the
20 secretary-treasurer and president, or another member designated by the president of the division, shall
21 go the post office and remove the envelopes containing the ballots from the post-office box. They shall
22 then be delivered intact to the meeting at which the election will be held. It will be the privilege of any
23 member of the division, upon proper application to these officers, to accompany the secretary-treasurer
24 and president (or his designated representative) to the post office for the purpose of observing this
25 procedure.
- 26 When the election begins, the envelopes containing the smaller ballot envelopes will be opened by the
27 board of tellers, at which time a determination will be made as to the right of each member to vote on
28 the various offices. The smaller envelopes containing the ballots may be marked prior to the time they
29 are opened at the discretion of the board of tellers, or the smaller envelopes containing the ballots may
30 be placed in stacks designating the status of the member voting the ballot.
- 31 Each candidate or his representative may observe the work of the board of tellers by standing not closer
32 than five (5) feet from the table at which the ballots are counted. These observers shall not interfere
33 with the work of the board of tellers and must address any remarks pertaining to the counting of the
34 ballots to the division secretary-treasurer, who will convey such inquiries or remarks to the board of
35 tellers. They shall be required to refrain from conversation except as herein provided.
- 36 b) Each division shall be permitted to prepare its own ballots, following a form that will be furnished by
37 the Rail Conference.
- 38 c) The division, previous to each election of officers, shall elect by a ballot a board of tellers, unless
39 appointed by the president with the unanimous consent of the members present, composed of three (3)
40 non-nominees, if available, from the members present at the meeting at which election is held, who, in
41 company with the secretary-treasurer, shall act as tellers at such election of officers; and when ballot is
42 presented, they shall announce in open division in whose name the ballot is voted. The secretary-
43 treasurer's duty in assisting the board of tellers shall be to give the financial standing of the member
44 when the name of the member voting the ballot is announced and designate honorary members.
45 Further than this, he has no duties while ballots are being counted.

- 1 d) The tellers shall make an exact return of the total number of votes cast for each person voted for and
 2 announce such return to the president, who shall thereupon declare the result; no unsealed ballot shall
 3 be counted unless the member voting it is present. Member who receives the largest number of votes
 4 cast for any office in a division shall be declared duly elected thereto.
- 5 A copy of the exact return with the total number of votes cast for each candidate must be forwarded to
 6 the Rail Conference President within five (5) days of the completion of the election.
- 7 e) The candidate receiving the highest number of votes shall be declared elected if eligible. Should an
 8 equal number of votes have been cast for two (2) or more members for any office, the tie shall be
 9 decided by another election for that office, the tied members being the only candidates.
- 10 Where a nominee is elected to an office to which he is ineligible, votes cast for him should not be
 11 counted; and the nominee who is eligible to serve in that office that receives the next highest number of
 12 votes is declared elected.
- 13 Where a nominee is elected to an office and eligible to serve but resigns or refuses to accept the
 14 election, a vacancy is created; and it will be necessary to hold a special election to fill the office as per
 15 Section 20 – TCRC Division Rules.
- 16 f) Every member elected to an office shall be entitled to fill the same, providing he is eligible under the
 17 law, unless it be shown that the law was clearly violated in the manner of holding it or that the results
 18 were fraudulently obtained. The fact that any member or members may be ineligible or erroneously
 19 declared elected shall not affect the rights of those who are eligible and duly elected, nor be a sufficient
 20 reason for setting an entire election aside and ordering a new one.
- 21 g) In the event of any irregularities in the election of officers of a division, resulting in a contest of
 22 election, the protest must be filed in duplicate with the division and the Rail Conference President
 23 within thirty (30) days after such election. The Rail Conference President will conduct an investigation
 24 to obtain the facts and evidence and render his decision accordingly. Any member who is dissatisfied
 25 with the decision of the Rail Conference President may appeal such decision within thirty (30) days to
 26 the Rail Conference Executive Board whose decision shall be final and binding.
- 27 h) In elections for Local Committee of Adjustment, only members holding seniority in a craft under the
 28 jurisdiction of the Local Committee of Adjustment shall be eligible for election to the Local Committee
 29 of Adjustment. Members in service (working) under the jurisdiction of such committee will be notified
 30 of such election and permitted to file or sign nominating petitions and vote.
- 31 i) Alternatively, Divisions may use electronic balloting systems through a supplier approved in writing by
 32 the National Executive Board.

SECTION 9**BALLOTS SEALED AND PRESERVED**

- 33 a) The ballots and envelopes shall be sealed by the board of tellers in the presence of the division and,
 34 together with all other records pertaining to the election, will be placed among the private papers of the
 35 division and, if practical, in the division room until the next election, where they shall be destroyed; but
 36 in no case shall they be held for less than one (1) year.
- 37 b) The ballots cannot be unsealed without first having submitted a resolution to the division at a regular
 38 meeting thereof, at which it must be stated why it is desired to have them opened; said resolution to lie
 39 over until the next regular meeting of the division before action is taken by a majority vote, unless the
 40 division is ordered to unseal the ballots by the Rail Conference President or his representative.

SECTION 10**INSTALLATION OF OFFICERS**

- 41 All officers of divisions, except officers who are elected to succeed themselves, shall be installed at the
 42 first meeting in January following election of officers. In the event there is no nominee to a Division
 43 Officer position at the nomination meeting the Division Executive Board will fill the position through
 44 appointment at the January Division meeting.

SECTION 11**PRESIDENT'S DUTIES**

- 1 a) It shall be the duty of the president to preside at all meetings of the division, to preserve decorum, to
2 decide all questions of order - subject, however, to an appeal to the members present - appoint all
3 committees and enforce these Bylaws.
- 4 b) The President shall see that the trustees audit the books and accounts of the division annually, makes a
5 proper report to the division, and makes a full report to the Rail Conference President. He will, in
6 conjunction with the secretary-treasurer of the division, furnish a financial statement annually to the
7 Rail Conference Office in form required by Rail Conference. He shall have the authority to call special
8 meetings and must call a special meeting when request is made, in writing, by five (5) or more
9 members. All names of the members requesting the special meeting must be printed and their
10 signatures applied to the request. The signatories of the request must be in attendance at the special
11 meeting for the division president to call the assembly to order. Such request must state the object for
12 which the meeting is called, and no other business shall be transacted at such special meeting. Upon
13 receiving a written request from five (5) or more members, the president shall instruct the secretary-
14 treasurer to post notices at terminals and on Rail Conference bulletin boards. Notices must be posted at
15 least five (5) days prior to the time a special meeting is scheduled.
- 16 c) When the president is notified of the failure of the secretary-treasurer of his division to make a prompt
17 monthly dues report to the GCA, as per Section 13(b) – TCRC Division Rules, it shall be the duty of the
18 president to contact the secretary-treasurer and instruct him to promptly make such report. Continued
19 failure on the part of the secretary-treasurer will subject him to removal from office, with the president
20 to prefer charges against him in accordance with Article XIX, Section 1(a) of the IBT Constitution. A
21 copy of the letter of notification is to be sent to the secretary-treasurers of the general committee and the
22 legislative board representing the division.
- 23 d) The President shall cast the deciding vote in the case of an equal vote on matters coming before the
24 division except in the case of a tie in a referendum or in the election of officers. Breaking of a tie in the
25 election of officers is provided for in Section 8(e) – TCRC Division Rules.
- 26 e) It shall be the duty of the President to provide ways and lend encouragement to securing new members,
27 to inquire into and investigate cause of any member or members being expelled and at times endeavour
28 to build up and retain the membership of his division.
- 29 f) The President may speak on points of order in preference to other members of the division, rising from
30 his seat for the purpose, and shall decide questions of order subject to an appeal to the division by any
31 two (2) members. On such an appeal no member shall speak more than once.
- 32 g) When an appeal is made from the decisions of the president, the president shall put the question thus:
33 "Shall the decision of the chair be sustained?"
- 34 h) It shall be the duty of the president and the privilege of any member of the division to call a member to
35 order who violates an established rule of order.
- 36 i) The president shall be the principal officer of the division.
- 37 j) Motions previously defeated at the Division meeting will not be allowed to be reintroduced for a period
38 of six (6) months unless the motion is related to a material change in rules, pay or working conditions.
39 Repetitive motions within the six (6) month period may be ruled "out of order" by the Division
40 President.

SECTION 12**VICE PRESIDENT'S DUTIES**

- 41 It shall be the duty of the vice president to assist the president in the duties of his office; and in the
42 absence of the president, he shall perform all the duties of the office; and should the vice president also be
43 absent, the division shall elect a temporary president from the members present. The vice president shall
44 serve as an alternate to the president and assume the duties of that office in the event it becomes vacant
45 due to death, resignation or for any other reason.

SECTION 13**SECRETARY-TREASURER - DUTIES AND BOND**

SECTION 1 GENERAL COMMITTEE OF ADJUSTMENT - HOW ORGANIZED

1 On any system of railway where two (2) or more divisions are organized, there shall be a standing general
 2 committee of adjustment whose members shall be elected quadrennially at the regular division election.
 3 On any line or system of railroad under or controlled by one (1) president or by an executive committee
 4 under whom are one (1) or more presidents or managers, where a railway or branch constitutes a separate
 5 department of the system and on which the Rail Conference has separate and distinct schedules of pay,
 6 different from schedules in force on other parts of the system, such railway or branch shall have the
 7 privilege of maintaining its own GCA. On railways or systems having an executive committee, the GCA
 8 shall have power only to settle all differences that can by them be adjusted with any and all officers of
 9 such railway or system subordinate to the president.

SECTION 2 GCA REPRESENTATION

- 10 a) Each Local Committee of Adjustment with active members paying GCA assessments on a railway or
 11 system shall be entitled to one (1) Delegate for each Local Committee of Adjustment and one (1) vote
 12 in that GCA, unless otherwise authorized by the GCA and the Rail Conference President; provided,
 13 however, that on a railway or system where there is but one (1) division, the local committee will be the
 14 GCA; where there are two (2) divisions, the division having the most members employed on such
 15 system shall have two (2) representatives, and two (2) votes on the committee. When one person is the
 16 elected representative of more than one Local Committee of Adjustment from the same Division, they
 17 will be entitled to one vote for each Local Committee they represent.
- 18 b) Each division having members employed on more than one (1) railway or system shall be entitled to a
 19 member of the GCA on each system represented. The chairman of the local committee of adjustment
 20 shall be a member of the GCA on the railway he represents; and only members employed on that
 21 railway shall have a vote for their local committee, which vote shall be by secret ballot.
- 22 c) On short-line railways where the membership feel they will derive more economic and more efficient
 23 representation by merging with the general committee of another railway, they may, by a majority vote
 24 of the active membership casting a ballot, request the Rail Conference President to permit them to
 25 merge with some other GCA of their choice (choice to be determined by majority vote). If, in the
 26 opinion of the Rail Conference President, such merger would operate to the best interests of the Rail
 27 Conference, he shall order the same to become effective on a specified date; provided, however, the
 28 general committee with which the merger is proposed shall approve of the same by a majority vote in
 29 accordance with Section 39(b) – TCRC GCA Rules.
- 30 d) In the event of such merger becoming effective, the so-called short-line railway shall be entitled to
 31 representation on the merged GCA, as provided for in Paragraph (a) of this section.

SECTION 3 NUMBER OF ASSESSABLE DELEGATES

32 Any secretary-treasurer of the division who fails to report to the secretary-treasurer of the GCA all
 33 assessable members belonging to his division shall be expelled when found guilty after trial in accordance
 34 with the provisions of Article XIX, Section 1 – IBT Constitution.

SECTION 4 WHEN TWO OR MORE GCA'S ARE ORGANIZED, MAY CONSOLIDATE

- 1 a) (i) On any system or railway having one (1) or more general managers under one (1) executive officer
 2 or president, where two (2) or more GCAs are organized, they can merge into one (1) GCA,
 3 provided a two-thirds (2/3) majority of the GCAs of the territory affected so decide. Such mergers
 4 of GCAs shall not become effective until after the expiration of sixty (60) days and no appeal from
 5 the action has been made. If an appeal is made within sixty (60) days of such action of GCAs, the
 6 question shall be referred to the membership on that portion of the system from which appeal is
 7 made; and unless a majority of the members on such portion of the system vote to merge their
 8 GCAs, their individual GCA shall continue as heretofore.
- 9 (ii) Upon effecting such merger, officers of the merged general committee shall be elected as provided
 10 in Section 9 – TCRC GCA Rules.
- 11 b) After the merger is consummated, the general chairman may at any time convene only that portion of
 12 the GCA that is under the jurisdiction of the general manager of the territory affected.
- 13 c) In the event a GCA on any small railway or system desires to merge with the GCA under the same
 14 general manager or one (1) executive officer or president, and said GCA is not agreeable to such
 15 merger, the request with all facts in connection therewith will be referred to the Rail Conference
 16 President who, in conjunction with the Rail Conference Executive Board, will make a recommendation
 17 to the IBT General President, who will decide the matter, subject to appeal under applicable provisions
 18 of the IBT Constitution.
- 19 d) However, in the event the Rail Conference President has reason to believe that the merging of a small
 20 GCA would be in the best interest of the members, he shall forward the request with all facts in support
 21 of his position to the affected general committees, requesting they voluntarily agree to the merger. The
 22 final decision will rest with the affected members of the involved committees as per Section 4(a)
 23 above.

SECTION 5 DIVIDING A GENERAL COMMITTEE OF ADJUSTMENT

24 The dividing of a consolidated GCA should be promulgated, if at all possible, at the consolidated GCA
 25 regular session. When it appears necessary or desirable to divide a GCA on any line or system of railway
 26 under or controlled by one (1) president or by an executive committee under whom are one (1) or more
 27 presidents or managers, where a railway or branch constitutes a separate department of the system and on
 28 which the Rail Conference has separate schedules of pay, such railway or branch shall have the privilege
 29 of withdrawing from the consolidated GCA and form a separate GCA; provided, after one (1) year from
 30 their last regular session, a majority of the active membership casting ballots in the division on the
 31 territory that wish to withdraw so express by referendum vote.

SECTION 6 EXECUTIVE COMMITTEE - HOW FORMED

32 ~~To form an~~ The executive committee, it will require a majority vote of all members of the GCA of the
 33 ~~railway or system affected. It shall consist of a general chairman, secretary-treasurer, and vice-chairman~~
 34 or vice-chairmen, and such other members of the GCA, as the general committee deems advisable.

SECTION 7**DUTIES OF THE EXECUTIVE COMMITTEE**

- 1 Duties of the executive committee shall be to adjust only subjects referred to it by action of a majority of
2 the full GCA, **or any other rule as prescribed in these Bylaws.**

SECTION 8**GCA MEETINGS**

- 3 a) It shall be the duty of the GCA of each system to meet quadrennially after the election of the division,
4 (once each four (4)-year period), at such time and place as may be determined by the chairman and
5 secretary-treasurer, or by a majority of the divisions, and adjust the differences existing on the systems.
- 6 b) (i) At any time between regular sessions, should a majority of the divisions on a system instruct the
7 chairman to convene the GCA, he shall do so without delay. Should said general chairman refuse
8 or neglect to do so, the Rail Conference President shall be empowered to suspend said general
9 chairman from office pending trial.
- 10 (ii) The Rail Conference President will assign a Rail Conference officer to the property with
11 instructions to convene without delay said GCA and preside over same. All expenses incurred by
12 so doing shall be borne by the GCA on the property where the violation occurs; and the general
13 chairman so offending, if found guilty by a majority of the members of the GCA after having been
14 served with written specific charges, given a reasonable time to prepare a defence and afforded a
15 full and fair hearing, shall be penalized as per Article XIX – IBT Constitution.
- 16 c) In case of an emergency, the chairman is empowered to convene the GCA when, in his judgment, it is
17 necessary.
- 18 d) At all such meetings, as soon as each division has presented and discussed grievances and, if a regular
19 meeting, the officers have been elected, the GCA may reduce to an executive committee, elected by the
20 GCA.

SECTION 9**GCA ELECTION OF OFFICERS**

- 21 a) The chairman, vice-chairman or vice-chairmen, and secretary-treasurer of the GCA will be elected after
22 the officers have made their report and each division has presented and discussed its grievances and
23 before reducing to an executive committee. All GCA Officers must hold active membership as defined
24 in Section 25(b) – TCRC Division Rules.

25 *Note: Eligibility to nominate, second and run for office will be determined by the applicable provisions of*
26 *the IBT Constitution as set forth and modified in Paragraph 6.8 of the Merger Agreement.*

- 27 b) At the regular election of officers of the GCA, a majority of the ballots cast shall be required for
28 election. If after fifteen (15) ballots have been taken and no candidate has received a majority of votes
29 cast, the names of two (2) candidates receiving the highest number of votes shall be arranged
30 alphabetically on the ballot and submitted to a secret referendum vote of the active membership of the
31 system within thirty (30) days. The candidate receiving the highest number of votes will be declared
32 elected.
- 33 c) (i) Where there are two (2) divisions on a system, each division will nominate its candidate or
34 candidates for the office of general chairman.
- 35 (ii) The secretary-treasurer of each division will notify the secretary-treasurer of the GCA of the names
36 of the candidates, who in turn will furnish a list of names of candidates of both divisions for office
37 of general chairman to the respective secretary-treasurers of the two (2) divisions; the names of the
38 candidates for office of general chairman will then be placed on a separate ballot and sent out to
39 members affected, with the regular division ballot.

- 1 (iii) Upon the completion of the election of officers in the division, the secretary-treasurer of each
 2 division will notify the secretary-treasurer of the GCA of the number of ballots cast for each
 3 candidate and the name of the candidate who received the majority of votes. The secretary-
 4 treasurer of the GCA will then notify the secretary-treasurer of each division of the name of the
 5 successful candidate for the office of general chairman, with the tabulation of votes cast by each
 6 division for candidates for that office. In case no candidate receives majority of votes cast,
 7 Paragraph (b) will apply.
- 8 d) In the event a majority of the delegates of a GCA are so instructed by the division they represent, the
 9 general chairman will be elected by a secret referendum vote of the active membership on the system.
 10 The candidate receiving the highest number of votes will be declared elected. If the application of this
 11 paragraph results in a membership vote for the position of general chairman the option to elect the vice
 12 chairman (or vice chairmen) at the same time and in the same manner will be made available provided
 13 a majority of the delegates of the GC of A are so instructed by the division they represent.

SECTION 10**CHAIRMAN MAY BE MADE SALARIED OFFICER**

- 14 a) The chairman of the GCA shall be made a salaried officer if so decided by a majority of all votes cast
 15 by members paying GCA assessments in a secret referendum vote on the system. Such salaried
 16 chairman must be in active service as defined in Section 25(c) – TCRC Division Rules at the time of
 17 his election.
- 18 b) The position of salaried chairman shall be abolished, provided such action is carried by a majority of all
 19 the votes cast by members paying GCA assessments on the system or unit in a secret referendum vote;
 20 such vote to be taken at the request of one-fourth (1/4) of the divisions on the system or unit. A vote
 21 once taken and decided cannot be renewed for one (1) year.
- 22 c) In taking a referendum vote to place a general chairman on a salary in accordance with Paragraph (a) or
 23 to abolish the salary of a general chairman in accordance with Paragraph (b), the ballot will be prepared
 24 by the general chairman and secretary-treasurer; and sufficient ballots will be sent to each division's
 25 secretary-treasurer to vote the membership paying GCA assessments. The ballots must be returned to
 26 the division secretary-treasurer either in person or by government mail. After ballots are voted, each
 27 division will count and tabulate the votes cast and forward same to the General Secretary-Treasurer of
 28 the GCA, who will notify each division of the result of the vote.

SECTION 11**GENERAL CHAIRMAN'S DUTIES**

- 29 a) A salaried chairman shall devote his whole time to the interests of the members on his system and visit
 30 the divisions. Any chairman of the GCA, when called upon by one (1) or more divisions on his system,
 31 shall be empowered in conjunction with the local committee to adjust, if possible, any differences that
 32 may arise between members and their employers without convening the GCA. Failing, he may notify
 33 the Rail Conference President of the facts in detail and call upon him for assistance. Receiving such
 34 call, the Rail Conference President will assign a Rail Conference vice president; or he may authorize
 35 the general chairman to represent him. The general chairman will not, however, vote the active
 36 members or withdraw them from the service without permission from the Rail Conference President.
 37 In case the local committee cannot be convened readily, the chairman shall have the power to select
 38 one (1) or more members to assist him.
- 39 b) It shall be the duty of the general chairman to convene the GCA in accordance with Section 8 – TCRC
 40 GCA Rules and to preside over the meeting while in session. He will make a report to the committee
 41 in session of items not completed and carried out from the last session of the committee. He shall
 42 render to each division on the system a report at the end of each quarter and send to each division and
 43 each local chairman a copy of the rulings and interpretations of the schedule under which they are
 44 working; and at the close of the year, he will render an annual report to the Rail Conference Office, the
 45 expense of same to be paid out of the funds of the general committee. He may fill the president's chair
 46 when visiting the divisions on the system. He shall be paid for his services by an assessment on all

- 1 active members on the system (as provided in Section 36 – TCRC Division Rules), provided that such
 2 assessment will be in effect only until the next session of the GCA, at which time it will be continued,
 3 discontinued or revised.
- 4 c) The general chairman shall have authority to review the books of any or all divisions as it pertains to
 5 the craft(s) within his jurisdiction when, in his opinion, it is desirable to do so.
- 6 d) The general chairman shall be bonded in accordance with Article X, Section 7(a) of the IBT
 7 Constitution.
- 8 e) The general chairman shall be recognized as the GCA between meetings of that body; and his decision
 9 on all matters within the scope of authority of the GCA shall be made effective subject to appeal in
 10 accordance with the provisions of Sections 24 and/or 25 – TCRC GCA Rules, except for matters
 11 specifically stipulated in Sections 30 and 31 – TCRC GCA Rules. The authority conferred upon the
 12 General Chairman pursuant to this paragraph shall not apply to the levy of special assessments between
 13 sessions of the GC of A. Special assessments levied between sessions of the GC of A require the
 14 written consent of a majority of the Local Chairmen affected and must be defined in amount and
 15 duration.
- 16 f) When action by the General Committee is required and the General Committee is not in formal session,
 17 the General Chairman may act electronically, by facsimile, letter or telephone conference call to poll
 18 the members of the General Committee of Adjustment.

SECTION 12**DUTIES OF THE VICE-GENERAL CHAIRMAN, GCA**

- 19 a) The vice-chairman shall assist the general chairman when called upon to do so and, in the absence of
 20 the general chairman, shall fill that office in accordance with the bylaws of the GCA. In the event the
 21 office of general chairman becomes vacant through death or otherwise, he shall fill the office until a
 22 successor has been duly elected in keeping with the laws herein provided for or by the bylaws of the
 23 GCA.
- 24 b) In the absence of GCA bylaws to govern, the vice-chairman shall convene the committee within thirty
 25 (30) days for the purpose of electing a chairman, unless such vacancy occurs within six (6) months of
 26 the regular date of convening said GCA.

SECTION 13**DUTIES OF THE SECRETARY-TREASURER, GCA**

- 27 a) The secretary-treasurer shall be bonded in accordance with Article X, Section 7(a) of the IBT
 28 Constitution; and he shall notify the Rail Conference President when the general committee will
 29 convene and the nature of the business to be transacted; he will furnish each division on the system a
 30 copy of the minutes of each session of the GCA, which shall include the number of each division
 31 represented, together with the assessable members of each.
- 32 b) The secretary-treasurer shall remit Rail Conference dues and assessments to the Rail Conference
 33 Secretary-Treasurer and shall also remit division and legislative board assessments to the secretary-
 34 treasurer of the division and the Provincial Legislative Board, respectively, on or before the 20th day of
 35 the next succeeding month for which such dues and assessments are collected.
- 36 c) The secretary-treasurer shall render an annual financial itemized report of all receipts and
 37 disbursements to each division, the general chairman and the Rail Conference President and at the
 38 expiration of his term of office deliver to his successor all books, papers, files and funds of the GCA.
- 39 d) The secretary-treasurer shall furnish the Rail Conference President a copy of the minutes of each
 40 session of the GCA. He shall in general be responsible to insure that the duties set forth in Article
 41 XXIII of the IBT Constitution are fulfilled with respect to the general committee consistent with these
 42 bylaws.

- 1 e) Disbursements of funds of the General Committee will require the signature or electronic
 2 authorization of the Secretary Treasurer of the GCA and the General Chair or their designate
 3 from the GCA Executive Committee.

SECTION 14**RAIL CONFERENCE PRESIDENT - CALLED BY GCA**

- 4 A GCA may call upon the Rail Conference President for assistance to dispose of any issue in dispute
 5 between the general committee and its management, which has not been satisfactorily disposed of. If such
 6 assistance is requested, it shall be given precedence over all other business; and the Rail Conference
 7 President shall respond in person, at once, or send a Rail Conference vice president, who will use all
 8 honourable means to make a satisfactory disposition of the dispute.
- 9 Except as provided in Sections 30 and 31 – TCRC GCA Rules, the Rail Conference President shall not be
 10 empowered to assign a Rail Conference vice president to assist any GCA unless requested to do so by
 11 said GCA.

SECTION 15**TRUSTEESHIPS**

- 12 The authority to place subordinate bodies into trusteeship and appoint trustees is vested in the General
 13 President of the IBT under the provisions of Article VI, Section 5 – IBT Constitution subject to the
 14 provisions of paragraph 6.11 if the Merger Agreement.

SECTION 16**AUTHORITY FOR TAKING STRIKE VOTE AND WITHDRAWING FROM SERVICE**

- 15 a) In the event of a question of wages or other causes where the Rail Conference is likely to be involved in
 16 an issue with a railway company or when a strike is in progress on any railway, no one will be
 17 permitted to take an active part in the deliberations of any division while the question at issue is under
 18 discussion unless he is in active service as a railway employee as defined in Section 25(c) – TCRC
 19 Division Rules. The employees on every railway shall settle their grievances with their own GCA, if
 20 possible. Failing to do so, they may call on the Rail Conference President who, in conjunction with the
 21 majority of the committee, shall have full power to give permission to poll the railway; and after such
 22 permission has been granted, the employees on the railway shall decide whether they will quit work or
 23 not by a majority of the ballots cast by all the members employed on the system where the trouble
 24 exists, except as provided in Section 16(b) below. Members belonging to divisions who are not
 25 employed on the system where the trouble exists shall not be allowed to vote upon the questions in
 26 controversy.
- 27 b) In cases where the best interests of the Rail Conference would be jeopardized by the delay incident to
 28 the circulation of a referendum strike ballot, the general chairman, with the consent of the Rail
 29 Conference President, may vote the GCA by the most convenient means available in lieu of the
 30 circulation of a referendum to the membership.
- 31 c) If a majority of the membership casting a ballot on the railway or system or two-thirds (2/3) or more of
 32 the members of the GCA vote in favour of a strike, the general chairman, with the concurrence of the
 33 Rail Conference President, shall have authority to set a strike date and withdraw the members of the
 34 railway or system from service.
- 35 d) In the event it is decided to use the economic strength of the Rail Conference, the Rail Conference shall
 36 sustain the membership on the railway where the trouble exists. Should it be necessary, the Executive
 37 Board of the Rail Conference shall be empowered to levy an assessment on the active membership of
 38 the Rail Conference. Such assessment will not be effective beyond the next session of the Rail
 39 Conference Convention, at which time it will be continued, discontinued or revised.

SECTION 17**MEMBERS PLACED ON PAYROLL**

- 1 When a strike occurs on any railway, the secretary-treasurer of each division on the railway or railways
 2 involved in the strike shall forward to the Rail Conference President a complete list of all members who
 3 are to be placed on the payroll. It shall then be the duty of the Rail Conference President to secure such
 4 help as may be necessary to enable him to pay promptly.

SECTION 18**AUTHORITY FOR DECLARING STRIKE OFF**

- 5 On any railway where a strike is called or is in progress, the GCA on the railway involved, shall have
 6 absolute power to declare the strike off except that the concurrence of the TCRC President will be
 7 required in cases where assistance with negotiations has been supplied by the National Office pursuant to
 8 Bylaws – Section 7 ~~(p)~~ (o). Should the strike continue for ten (10) days or longer, the power to declare
 9 the strike off shall be vested in the GCA on the railway or system, acting in concurrence with the
 10 Executive Board of the Rail Conference.

SECTION 19**GCA CONVENED BY THE RAIL CONFERENCE PRESIDENT**

- 11 When the GCA, on any railway or system, is convened on the authority of, or by, the Rail Conference
 12 President, on matters of a general nature, the time and expenses of the committee shall be paid from the
 13 general fund of the Rail Conference.

SECTION 20**MEMBERS MUST NOT SIGN CONTRACTS UNLESS AUTHORIZED**

- 14 A member or members, other than the duly designated representative of the Rail Conference, are
 15 prohibited from entering into any verbal or written agreements with any railway management involving
 16 rates of pay, rules or working conditions of Rail Conference members. Any member violating this
 17 provision shall, if found guilty after trial as per Article XIX of the IBT Constitution, be expelled from the
 18 Rail Conference.

SECTION 21**COMMUNICATIONS - ILLEGAL**

- 19 When any member or members of a division (except chairman of the local committee) take up directly
 20 with the general chairman, verbally or written, any question where other members' interests are involved,
 21 or ask for a ruling upon any question, the general chairman must refuse to grant such requests or ruling
 22 until the proposition has been submitted to the division for their consideration. If carried by a majority of
 23 the members present, the secretary-treasurer will furnish the general chairman all the facts in the case,
 24 who will furnish the division with his ruling or interpretation, as the case might be.

SECTION 22**MEMBER OR OFFICER MAY BE EXPELLED FROM THE GCA**

- 25 a) Any member of the GCA who, by act or word in the presence of any railway official, injures any matter
 26 under discussion by the committee or executive committee, which has for its purpose the enforcement
 27 of the GCA Rules of the Rail Conference, shall have written charges preferred against him in the GCA
 28 or executive committee by the general chairman. If, after he has been served with written specific
 29 charges and given a reasonable and fair hearing by the body before which such charges have been
 30 preferred, a majority of the GCA or executive committee voting by ballot so decides (general chairman
 31 to have the deciding vote in case of a tie), he shall be deprived of service on the same. The general
 32 chairman shall then notify the president of the division that the deposed member represented, and the

- 1 president of the division may fill such vacancy by appointment promptly. If necessary, the general
 2 chairman is authorized to fill the vacancy by interim appointment from the membership of the division
 3 to which the deposed member belongs; and said appointee will serve until relieved by a delegate
 4 appointed by the president or elected by the division as per Section 20 – TCRC Division Rules.
- 5 b) Any officer may be removed from office by a majority vote of the members of the executive committee
 6 of the GCA for violation of any of the laws or rules of the Rail Conference committed in his official
 7 capacity as a member of the GCA, if found guilty after having been served with written specific

 28 circumstances less than thirty (30) days prior to the meeting of the general committee. Copy of such
 29 appeal to be furnished the division or divisions affected.
- 30 c) Unless otherwise defined in GCA Bylaws, the appeal provision within Section 24(b) is to be
 31 administered in the following manner:

11 the General Chairman will be required to make every effort to protect the time limits, if applicable,
12 with the employer.

SECTION 25**APPEAL MAY BE TAKEN**

- 13 a) Any member or division in good standing may take an appeal to the active membership from a decision
14 ~~of a general chairman or GCA of the Executive of the General Committee~~. Such appeal must be made
15 prior to the expiration of sixty (60) days from the date of the said decision and must be voted on by the

20 defending the committee's decision. The appellant's statement of facts, the ballot in approved form and
21 the general chairman's statement in reply shall be returned without delay to the appellant. The appellant
22 may add a rebuttal to the statement of the general chairman if he so chooses. The appellant shall, as
23 soon as possible upon the return of the appeal from the general chairman, proceed with the printing of
24 such appeal. The ballot shall set out the decision from which the appeal is taken, without any
25 argumentation upon the part of the appellant or the general chairman. A copy of the printer's proof
26 shall be forwarded to the general chairman for his approval. The general chairman shall immediately
27 examine his statement and the ballot appearing in the printer's proof and, when satisfied as to their
28 accuracy, shall return such appeal to the appellant for final printing, giving notice as to the quantity
29 required. Each active member of each division under the jurisdiction of the GCA involved shall receive
30 a ballot.
- 31 c) (i) The division shall, within thirty (30) days after receipt of the ballots, take a referendum vote of its
32 active membership and advise the secretary-treasurer of the GCA of the result. Divisions meeting
33 but once a month shall call a special meeting for the purpose of counting and tabulating the votes
34 when necessary in order to carry out the thirty (30) day-limitation.
- 35 (ii) All ballots, including those improperly signed or for any other reason declared illegal, shall be
36 forwarded to the secretary-treasurer of the GCA, together with a copy of the division tellers' report.
37 The report shall show the number of votes cast by the active membership for and against the issue
38 constituting the appeal and the number of ballots rejected as illegal. Every ballot declared illegal
39 shall have the same written across the face thereof. The division must retain a duplicate copy of this
40 report and a record made in the minutes of the meeting.
- 41 d) Upon receipt of the ballots and the reports from all the divisions, the secretary-treasurer of the GCA
42 shall prepare a report showing the results of the balloting and forward the report, together with all the
43 ballots, to the general chairman. Sufficient copies of the report from the secretary-treasurer of the
44 general committee shall be prepared by the general chairman and forwarded to all the divisions in the
45 territory involved. Such report shall show, separately, the number of votes cast for or against the appeal
46 by the active membership of each division and the number of ballots ruled illegal. The result of a
47 majority of the legal ballots shall be the decision of the active membership, and such decision shall be
48 final and binding. The GCA shall be governed by the results of the referendum.

- 1 e) A time limit of one hundred twenty (120) days from the date of receipt of the appeal by the general
2 chairman is hereby established, within which the requirements of this section must be completed. The
3 time limit of one hundred twenty (120) days, as set forth herein, may be extended by mutual agreement
4 between the parties affected.

11 lost in such service, shall be raised by an assessment on all active members of the Rail Conference
12 employed on the system represented (except as provided in Section 35 – TCRC Division Rules); and
13 the secretary-treasurer of the GCA shall have power when so ordered by the committee to levy such an
14 assessment for the purpose of creating a fund to pay the members of the committee immediately after
15 such session is over. All such assessments shall be levied by majority affirmative vote of the members
16 of the GCA, or by majority affirmative vote of the members of the GCA casting a mail ballot between
17 sessions, and shall be effective only until the next session of the GCA, at which time it will be
18 continued, discontinued or revised.
- 19 b) The salary of the general chairman and the rate of pay and expenses paid to the members of the general
20 committee and legitimate expenses of the general committee shall be raised by an assessment on all
21 active members employed on the system represented. All such assessments shall be levied by majority
22 affirmative vote of the members of the GCA present at a session of the GCA, or by majority
23 affirmative vote of the members of the GCA casting a mail ballot between sessions, and shall be
24 effective only until the next session of the GCA, at which time it will be continued, discontinued or
25 revised. All members of the GCA will be required to pay GCA assessments in the amount determined
26 by the GCA, which shall be collected monthly and forwarded to the secretary-treasurer of the general
27 committee, who will pay the chairman's salary semi-monthly and all delegates for their services. Any
28 surplus remaining in the treasury shall be applied to the payment of the legitimate expenses of the
29 general committee.
- 30 Where a vice-chairman assumes the duties of the chairman on account of the absence of the chairman,
31 his salary shall not be more while he is occupying that position than the salary of the general chairman.

SECTION 29**GCA AUTHORITY AND NEW BUSINESS**

- 32 a) No new business will be entertained by a GCA unless records are sent showing that the division has
33 acted upon the merits of the question. A copy of the resolution sent to the GCA shall be sent to other
34 divisions interested upon receipt of same by the general chairman.
- 35 b) (i) The GCA shall have full power to settle all questions of seniority and rights to runs and jurisdiction
36 of territory that are presented to it; and its decision shall be final unless, on an appeal to the
37 membership, its decision is repealed by a majority vote.

- 1 (ii) Where there are only two (2) divisions on a system, they may appeal to the Rail Conference
 2 President, whose decision shall be final, subject to appeal under applicable provisions of the IBT
 3 Constitution.
- 4 c) To consolidate or divide the seniority rosters of members on one (1) or more seniority districts on a
 5 system, a majority vote of the active members holding seniority and casting a ballot on each seniority
 6 district affected must be obtained.
- 7 d) When a question of jurisdiction of territory or seniority arises between the members themselves or two
 8 (2) or more divisions that cannot be amicably adjusted by such divisions, the question shall, with all the
 9 facts in the premises, be referred to the GCA, which shall rule on the matter; and such ruling shall stand
 10 as law, subject to appeal as per Section 25 – TCRC GCA Rules.

SECTION 30 AUTHORITY OF RAIL CONFERENCE PRESIDENT IN MERGERS, ETC. WITH PROTECTIVE AGREEMENTS

11 Note: *The term "Mergers, etc.," as referred to in subtitle and as hereinafter expressed in this section,*
 12 *means - mergers, consolidations, coordinations, control, absorptions, diversions of traffic, purchases or*
 13 *any other action whereby separate facilities or operations of railways are going to be unified.*

14 1. Mergers, etc.

15 When the Rail Conference President has sufficient information that a merger, consolidation, coordination,
 16 control, absorption, diversion of traffic, purchase or any other action whereby separate facilities or
 17 operations of railways are going to be unified, he shall immediately assign an officer for the purpose of
 18 directing the committees in the handling to the best interests of the members involved.

19 A. Contracts

- 20 (i) There shall be a revision of the existing agreements on the properties involved which will have for
 21 its purpose the consolidation of contracts covering the merged, etc. property.
- 22 (ii) The assigned officer, in conjunction with the interested general chairmen, shall represent all of the
 23 committees in negotiations with the railway and/or railways.
- 24 (iii) Contracts shall be ratified by a majority vote of the active members casting a ballot.

25 B. General Committees

- 26 (i) The committees involved on the merged systems may be consolidated, if necessary, to meet the
 27 representational requirements of the membership.
- 28 (ii) The officer assigned shall submit his recommendations to the Rail Conference President. If the
 29 recommendation is to merge the involved committees, the Rail Conference President shall forward
 30 said recommendation with all facts in support to the involved general committees. The affected
 31 general committee(s) shall refer the question to the membership under their jurisdiction by
 32 instructing each affected division to prepare a paper ballot to be delivered within sixty (60) days to
 33 each member of the division, by government mail, directed to his/her last known address. The
 34 ballot, with a large envelope, approximately 4 x 9 1/2 inches, which must contain space for the
 35 member's name and address, must have first-class postage affixed thereto and must contain the

 37 accompanied with the written recommendation of the Rail Conference President, the written
 38 recommendation of the affected general chairmen, and written instructions showing purpose of the
 39 ballot, time, date and place for counting the ballots. The ballot shall also contain a signature and
 40 date line, which must be signed and dated by the member. The return envelope containing the
 41 ballot must be returned and postmarked within fifteen (15) days from the postmarked date on the
 42 envelope sent to the member. The ballots shall be counted by each division at the first regular
 43 division meeting following the date for return of the ballots. Each division secretary-treasurer will

1 notify the general chairman of the results from the ballots received within ten (10) days. The
2 affected general chairmen will forward this information to the Rail Conference President and the
3 other affected general chairmen, within thirty (30) days from date received from last division
4 reporting.

5 If the decision of the majority is to merge the committees in question, the Rail Conference President
6 shall notify the affected general committees of the decision and instruct the merged committees to
7 meet within ninety (90) days for the purpose of electing new officers, as provided in Section 9 –
8 TCRC GCA Rules, and conducting any business or grievance that may properly come before the
9 body.

10 The new date to meet regularly shall be decided as per Section 8 – TCRC GCA Rules. If it is the
11 decision of the majority not to merge their GCAs, their individual GCAs shall continue as
12 heretofore.

13 C. Divisions

14 (i) Representation

15 The general committee or general chairman and division or divisions affected shall, after the
16 determination has been made relative to a merged seniority district or districts, make a study of the
17 Rail Conference divisions in the affected area for the purpose of reducing, if possible, the number
18 thereof to only those necessary to maintain an efficient operation.

19 The general committee or general chairman and divisions affected shall give consideration to the
20 following points as a guideline for making such a determination:

21 (a) The number of members in a division.

22 (b) The location of the majority of the members' place of residence.

23 (c) The availability of the majority of the members to attend the division meeting place.

24 (d) The location of the operating division offices nearest the Rail Conference division.

25 Changes as referred to in the above paragraph shall not be put into effect by a general committee or
26 general chairman until the proposed changes have been submitted to the Executive Board of the
27 Rail Conference and approved.

28 (ii) Jurisdiction

29 Should it be, in the judgment of the general committee or general chairman and divisions affected,
30 that more than one Rail Conference division is necessary on a seniority district, and said Rail
31 Conference divisions have been set up, each division shall be given a definite territory by the
32 general committee and/or the general chairman.

33 Elections to all offices of each division shall be held immediately after they have been set up,
34 provided divisions have been merged or a new division has been created.

35 Should the GCA and divisions fail to reach an amicable agreement in the merging of and/or
36 creating a new division within sixty (60) days, the matter shall be referred to the Rail Conference
37 President who shall, upon receipt thereof, make an investigation of the facts within thirty (30) days,
38 after which the Executive Board of the Rail Conference shall make a recommendation thereon,
39 which shall be final and binding.

40 D. Seniority Districts

- 41 (i) Should it be, in the judgment of the officers assigned and the general chairmen, in the best interest
42 of the members affected as a result of a merger, etc., to consolidate and/or merge a seniority district
43 or districts, the general chairman must meet and consult with the affected divisions' local chairmen
44 to work out a merger of the old districts and seniority rosters into a new district and merged roster.

- 1 In the preparation of seniority rosters to cover the seniority districts on an equitable basis, the
 2 general chairman shall request the railway to furnish promptly to him all statistical information
 3 such as - but not limited to - number of trains, car miles, train miles, and yard engine hours and/or
 4 inbound car count for use in determining what method will be used in the merging of the seniority
 5 districts.
- 6 (ii) Should the general chairman and affected local chairmen fail to agree, the matter shall be referred
 7 to the Rail Conference President, who shall make an investigation within thirty (30) days, after
 8 which the Executive Board of the Rail Conference shall make a determination which shall be final
 9 and binding.
- 10 2. Employees Protection Requirements
- 11 (i) When officers of the Rail Conference and GCAs are confronted with conditions affecting
 12 employees of railways involved in mergers, etc., all such employees shall be considered as being
 13 adversely affected; and the officers, in recognition of rearrangement of existing contracts, seniority
 14 equities and/or districts, general committees and divisions, shall first give full recognition to
 15 negotiating implementing agreements with the railway or railways to provide protection for all
 16 employees involved as follows:
- 17 (e) Guaranteed earnings and employment.
- 18 (f) Preservation of working agreements and conditions, except as may be revised or changed by
 19 the implementing agreements.
- 20 (g) Preservation of the rights and equities of all employees.
- 21 (h) Protection against any loss or expense incurred by the necessity of an employee
 22 moving/traveling from his established residence or terminal.
- 23 (i) Extension of the protection afforded all employees to cover full-time or part-time officers of the
 24 Rail Conference and its subordinate committees as well as members serving in temporary
 25 capacities.
- 26 (j) Separation allowances on the basis of seniority selections for those employees desiring to retire
 27 or separate their employment relationship subsequent to the effective date of the implementing
 28 agreement.
- 29 (ii) To insure appropriate handling of proposed mergers, etc., should any provision of the TCRC
 30 Bylaws conflict with application of this Section 30 (a), the provisions of this section shall prevail.

SECTION 31**OTHER MERGERS, ETC. ON TWO OR MORE RAILWAYS**

- 31 a) Whenever one (1) railway or any portion thereof is absorbed, traffic diverted, consolidated, merged,
 32 leased or coordinated by, to or with another railway or any portion thereof, and the officers of the Rail
 33 Conference and GCAs are unable to obtain protective agreements in their judgment satisfying the
 34 requirements of Section 30(a)(2) – TCRC GCA Rules, the employees on the railway or railways or any
 35 portion thereof affected thereby shall retain their right and seniority as heretofore on the railways
 36 absorbed, traffic diverted, consolidated, merged, leased or coordinated; but the runs shall be manned by
 37 the engineers of the respective roads in proportion, as near as practicable, to the car miles or train miles
 38 in road service and to the engine hours or inbound car count in yard service on the territory involved on
 39 each railway. Such count of car miles or train miles in road service and of engine hours or inbound car
 40 count in yard service shall be compiled for a period of not less than six (6) months nor more than one
 41 (1) year. Such test period shall be established at a time agreed upon, sufficiently prior to the effective
 42 date of any of the conditions specified in this section to give a fair and equitable representation of
 43 normal business handled by each district involved. The figures determined for each month of the
 44 aforementioned test period will be supplied to each division involved prior to the consummation of any
 45 agreement establishing a distribution of work.

- 1 b) When GCAs are unable to agree upon a settlement of questions arising covered by the foregoing, they
2 will submit a joint statement setting forth their contentions regarding same, with all the facts in the
3 premises, to the Rail Conference President who, after making a thorough investigation, is authorized, in
4 conjunction with the Executive Board, to render a decision which shall be final and binding.
- 5 c) In the event that the GCAs do not meet within sixty (60) days from the time that the merger,
6 coordination, etc., took place, the Rail Conference President will be empowered to order the GCAs
7 involved to meet at once and settle the question in dispute within thirty (30) days from the time the
8 sixty (60)-day limit expires.
- 9 d) Any division involved, if dissatisfied with the decision of the officer assigned and general chairman
10 with respect to the method to be used for dividing the work, may appeal to the Executive Board of the
11 Rail Conference within sixty (60) days following the issuance of that decision. The Executive Board,
12 after making an investigation of the controversy, shall render a decision which shall be final and
13 binding.

SECTION 32**TRAFFIC MERGED, ETC., ON ONE RAILWAY**

- 14 a) Where any portion or portions of any railway is or are by any means absorbed, consolidated, merged, or
15 coordinated with any other portion or portions of the same railway, or any portion of the same railway
16 is abandoned, the employees affected thereby shall retain their seniority as heretofore on the portion or
17 portions of the railway which has or have been so absorbed, consolidated, merged or coordinated, or
18 from which traffic has been so diverted.
- 19 b) Whenever the events referred to in the foregoing subsection have occurred and it becomes necessary to
20 readjust the service, the runs shall be manned by the employees of the respective portions of the road in
21 proportion, as near as practicable, to the car miles or train miles in road service and to the engine hours
22 or inbound car count in yard service on the territory involved. Such count of car miles or train miles in
23 road service and of engine hours or inbound cars in yard service shall be compiled for a period of not
24 less than six (6) months nor more than one (1) year. Such test period shall be established at a time
25 agreed upon, sufficiently prior to the effective date of any of the conditions specified in this section to
26 give a fair and equitable representation of normal business handled by each district involved. The
27 figures determined for each month of the aforementioned test period will be supplied to each division
28 involved prior to the consummation of any agreement establishing a distribution of work. The
29 respective local committees of adjustment or local chairmen representing the groups of the affected
30 employees, unless a proper adjustment of the question has been reached, will meet within thirty (30)
31 days after the question of such rights to runs has been raised by either of such local committees or local
32 chairmen, unless further time, not exceeding an additional thirty (30) days, is mutually agreed upon by
33 such local committees, and will endeavour to agree upon which of the above factors shall be used for
34 measuring the service and upon the precise period of time within the foregoing range. If such
35 agreement cannot be reached, the question of which of the above-mentioned alternative factors for such
36 tests and the duration of the test period will be determined; said factors shall be considered to afford a
37 suitable basis for an equitable division of the normal business handled by each territory between the
38 employees involved.
- 39 c) Any division involved in the controversy, if dissatisfied with the decision of the general chairman on
40 the methods to be used for dividing the work, may appeal in accordance with the provisions of Section
41 25 – TCRC GCA Rules.

SECTION 33**SENIORITY DISPUTES - STATUTE OF LIMITATIONS**

- 42 A statute of limitation of sixty (60) days is hereby fixed within which to take up or appeal any case of
43 seniority, subject to appeal in accordance with Section 31– TCRC Division Rules.

SECTION 34**SCHEDULE RULES**

- 1 a) The right to make and interpret contracts, rules, rates of pay and working conditions for members of the
2 Rail Conference shall be vested in the regularly constituted GCA of the Rail Conference.
- 3 b) GCAs shall be free to incorporate into the respective schedules such rules, as they may deem advisable
4 to govern the hiring of railway employees under their jurisdiction.
- 5 c) All GCAs shall make an effort to have included in their schedules a rule providing for the inclusion of a
6 training program for their members.
- 7 d) No GCA shall place a compulsory retirement into effect on any railway or seniority district until a
8 referendum vote is taken and the majority of the members in active service casting a ballot on the
9 railway or seniority district approve.

SECTION 35**DIVISION REFUSING TO SUSTAIN COMMITTEE**

- 10 Should a division on any system refuse to sustain an action of the GCA of the system or to enforce the
11 laws passed by the Rail Conference, it shall be the duty of the members of the committee from the
12 division to make a written statement of the fact concerning the refusal to the chairman of the GCA, who
13 shall submit the same to the Rail Conference President, for his review and recommendation to the General
14 Executive Board of the IBT, which is empowered to suspend the charter.

SECTION 36**DIVISION REFUSING TO TAKE VOTE**

- 15 a) Should any division refuse or neglect to take a vote of its members when ordered to do so by the GCA,
16 it shall be considered a refusal to sustain the action of the GCA and shall be dealt with according to
17 Section 35 of the TCRC GCA Rules; and any member of the committee failing to report to the general
18 chairman of the committee as per Section 35 shall be dealt with by the GCA as per Section 22(b) –
19 TCRC GCA Rules.
- 20 b) Unless otherwise provided, all expenses incurred in taking a vote shall be borne by the division.

SECTION 37 AGREEMENTS GOVERNING RATES OF PAY ON ALL KINDS OF POWER

22 pay and to continue the service of a locomotive engineer and motorman in the operation of all railway
23 motive power.
- 24 b) It shall be the policy of the GCA to secure agreements with railways covering the rules, rates of pay and
25 working conditions of all operating crafts if, as and when the opportunity presents itself. The individual
26 GCA shall have full jurisdiction in the matter.

SECTION 38**ATTEMPTING TO REDUCE STANDARD WAGES**

- 27 Any member who shall attempt, in any manner, to reduce the standard of pay for any Rail Conference
28 craft, or establish a maximum limit for the same, shall be guilty of violating his obligation, and upon
29 conviction of same after trial as per Article XIX – IBT Constitution, shall be expelled; this not to apply to
30 or interfere with legitimate action of GCAs or Rail Conference officers.

SECTION 39**CONTRACT PROCEDURES**

- 1 a) (i) All wage settlements shall be ratified by a majority vote of the active members casting a ballot.
- 2 (ii) When a tentative agreement is negotiated or a proffer of arbitration made, the Rail Conference or
3 GCA proposing a system-wide agreement will furnish a copy of the proposal to all general
4 chairmen and local chairmen. The Rail Conference or GCA will also provide a synopsis of the
5 proposal to each affected member, along with an instruction sheet, a ballot and a return envelope.
- 6 (ii) Each affected member will return his/her ballot to the Secretary-Treasurer of the Rail Conference
7 when such ballot is issued by the Rail Conference, or the secretary-treasurer of the GCA when the
8 ballot is issued by the GCA, within the time period specified, who will tabulate the vote and certify
9 the results to the Rail Conference President and/or affected general chairman of the GCA. The
10 GCA will choose a board of tellers to help the secretary-treasurer of the GCA count the ballots.
- 11 b) Before any collective agreement or change of scheduled rules can be agreed to or signed on behalf of
12 members on a railway system, the proposed terms of settlement must first receive the approval of each
13 general committee and then the approval of the members by a majority referendum vote. Only ballots
14 returned shall be counted. A list of the number of "yes" and "no" votes for all individual divisions must
15 be forwarded to each division within seven (7) days of the counting of votes.
- 16 c) When a GCA and/or GCAs are engaged in joint contract negotiations with another union or unions, the
17 Rail Conference national negotiating committee may authorize a joint ratification vote, the results of
18 which shall be determined in accordance with the governing ratification process.

SECTION 40**VIOLATION OF CONTRACT - RAILWAY OFFICIALS**

- 19 a) On any railway system where there is a contract between the railway company and the Rail Conference
20 it will be considered a violation of said contract on the part of the railway company to open any
21 differences except through the GCA in connection with craft positions.
- 22 b) All GCAs are prohibited from making agreements with the railway managements, the terms of which
23 will conflict with any law or policy adopted by the Rail Conference, without first submitting same to
24 the
25 Rail Conference President who, in conjunction with the Executive Board, will determine proper
26 disposition of the question at issue.

SECTION 41**GRIEVANCES**

- 27 a) Should any member in the employ of a railway company have any grievance against the company,
28 either from meeting with an accident of any kind while in the discharge of his duties, or from any other
29 cause, he shall be required to make out a complete report of the same to his division in writing for the
30 benefit of the committee of adjustment; and the division shall keep such report, together with a copy of
31 the judgment of the company's officials concerning the grievance or accident. The local committee and
