

### Clue #5

From the Medium Light, cut: 3 strips, 4  $\frac{1}{4}$ " x width of fabric, sub-cut 20 squares 4  $\frac{1}{4}$ " x 4  $\frac{1}{4}$ ".

Bisect each of the squares twice, corner to corner, for 80 triangles.

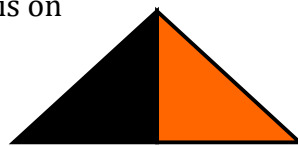

From the Dark, cut: 3 strips, 4  $\frac{1}{4}$ " x width of fabric, sub-cut 20 squares 4  $\frac{1}{4}$ " x 4  $\frac{1}{4}$ ".

Bisect each of the squares twice, corner to corner, for 80 triangles.

Make eighty triangle units as diagramed, all eighty should be identical. The dark is on the left and the medium light is on the right. Press to the dark fabric.

Only 72 of these units will be used in this step. Do not make into squares!

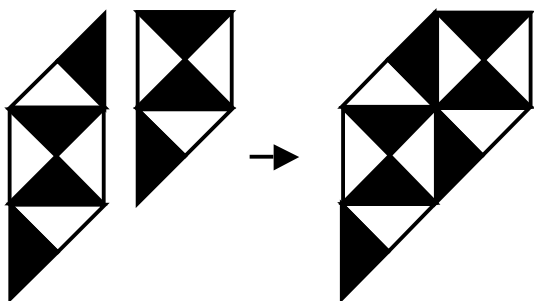

Make 80:

Combine these unit with the pieces from clue three to make the following units:

Make 24 of each:

Make 24 of the following unit and press.

Combine the 24 units to make 12 of the following unit:

Press.
