Subject: Compliance regarding Library Facilities – AICTE Approval Process 2026–2027

Respected Sir/Madam,

With reference to the observations made by the Expert Visit Committee (EVC) regarding Library Facilities, we hereby submit our clarifications and compliance details. As per the EVC report, certain parameters were marked as “Not Accepted” due to perceived shortfall.

In this regard, we respectfully submit the following point-wise explanations:

Observation	Explanation
Books (Volumes):	The sourcing process is currently ongoing. Approximately 100 books have already been procured. Quotations for bulk purchases are being finalized, and the required volumes will be fully completed before the commencement of the MBA programme.
Titles:	The earlier information provided regarding titles was due to a misunderstanding of the concept. We currently have 758 titles available. A fresh and accurate listing is being prepared and will be updated.
Journals:	The process of sourcing journals is currently underway, and the required number will be completed before the commencement of the MBA programme.
Reading Room Seating Capacity:	Adequate seating capacity is available. On the day of inspection, only a limited number of chairs were placed in the library due to ongoing academic year-end activities, where chairs were temporarily used in multiple student events across campus. At present, 102 chairs have been arranged in the reading room, and photographic evidence has been provided.
Multimedia PCs:	Only 5 computers were displayed during inspection; however, an additional 7 laptops are available for student use. These laptops were being utilized by students for project work during the inspection period and were therefore not displayed at that time.

We assure you that all necessary steps are being taken to fully comply with AICTE norms and requirements. The institution is committed to strengthening library resources in line with the proposed MBA programme and ensuring that all deficiencies are addressed in a time-bound manner.

We kindly request you to consider the above explanations and supporting documents submitted/uploaded on the portal.

Thanking you,

Yours faithfully,
For AMC Group of Educational Institutions
