Report of Anti- Ragging Cell, 2017-18

As per the orders of Supreme Court of India and University Grant Commission on curbing the menace of ragging in higher educational institutions, together with making a Zero tolerance policy towards ragging related matters, we have conducted the following activities in our campus.

An Anti-Ragging Cell is in operation in the college under the overall charge of the Principal, to curb the menace of ragging: to make students aware of the dehumanizing effect of ragging inherent in its perversity: to keep a continuous watch and vigil over ragging so as to prevent its occurrence and recurrence: to promptly and sternly deal with the incidents of ragging brought to our notice and to generate an atmosphere of discipline by sending a clear message that no act of ragging shall be tolerated and any act of ragging shall not go unnoticed and unpunished

A gamut of positive reinforcement activities are adopted by Anti-Ragging Squad for orienting students and moulding their personality for a better cause.

To spread the message of Anti- Ragging among students in the campus posters indicating punishment against ragging were displayed in the campus.

To create a friendly atmosphere in the campus, AMC conducted fresher's day programme to welcome new comers in to the campus.

The squad members used to make surprise visit in case the students gather in a place in an unusual way showing tendency for ragging cases

Class tutors give awareness about the consequences of ragging through their tutorial meetings.
