Go Green

GREEN CAMPUS POLICY

The Green campus is a place where green habits and practices are nurtured and implemented to achieve an environment friendly atmosphere .

The college has decided to follow the below mentioned decisions to implement Go Green concept in the Campus.

- Effort has to be made to reduce the use of plastic items inside the campus.
- To promote planting of saplings inside the campus .
- To promote the cultivation of Herbal garden and Organic vegetables.
- To implement rain water harvesting.
- Habituate an attitude among students to keep the college premises neat and tidy.
- Promote students to participate in the cleaning challenges (Swatch Bharat).
- To develop waste management system in the campus.
- Attempt has to be made to switch to alternative source of energy aiming energy conservation.
- Encourage students to rely more on public transportation system and to cultivate the habit of vehicle sharing and e- mobility.
- To rely electronic means to share notices, brochures etc to reduce the use of paper.
