INDUSTRIAL VISIT 2017-18

The Department of Management organized a one day Industrial visit to Kannan Devan Tea Factory at Munnar. The department obtained permission from the factory via e-mail to visit factory and tea plantation. 32 students and two faculties participated in the industrial visit (Assistant Professor Sarala K T and Assistant Professor Durga N , HOD). The students got a warm welcome and the companies supervisor explained about the procedures and production processes in tea and coffee manufacturing area. It helped them to know and experience the scope and problems faced by plantation exporters in Kerala.

INDUSTRIAL VISIT 2020-2021

DATE ; 14/12/2020

Sir,

We confirm your request for having a field visit to our industry. Your students and faculty can visit our industry on Fridays during the time between 1.00 pm to 4.00 pm. Admission to our premises is restricted to a maximum of 30 students at a time. You may walk into the factory premises within the specified timings. At the factory, you can understand our history, our administration structure and can visit the manufacturing unit where your students can understand the manufacturing process in detail. You may finish the entire visit within the time schedule allotted. No changes can be entertained apart from the scheduled dates and time. Visitors should keep their college Identity cards during the time of visit. The permitted time slots for your institution for visit are as follows;

Date of visit	Maximum number per visit
8 th jan 2021	30
15 th jan 2021	30

Hope your queries are clarified. For any additional information, be feel free to contact us.
Warm welcome to the team of AMC...

Regards

Nila Bakers & Confectioneries (India) Pvt. Ltd.,
