Subject: Reply for industrial visit application

Respected sir/ma'am,

I'm really sorry to inform that the 61 students are not able to enter in to the production area at 1 batch. We should separate it into 4 groups to avoid rush and for the safety of the students. The time of reporting is should be after 9:30. I wish it was a great opportunity for the students and warm welcome to all.

Thanks & Regards
