Readers Day celebration

AMC Group of Educational Institution celebrating the Readers Day on 20th June 2016. As part of the programme Malayalam department Organized a Reading competition and Essay competition in the Audio-visual hall. 16 students participated in a Reading competition. The title selected for the Essay competition was 'Vayanayude pradhanyam'. 20 students participated in the competition.

The image consists of two parts. On the left is a yellow poster for a reading competition. At the top, it reads 'AMC Group Of Educational Institutions, Manissery (Affiliated to University of Calicut)'. Below this is the AMC logo, which features a stylized blue and white star-like shape. The main title of the poster is 'ജൂൺ 19 വായനാദിനം' (June 19 Reading Day). Below the title, it lists the dates and times for two events: 'വായനാമത്സരം 20/6/2016 11am' and 'ഉപന്യാസമത്സരം 20/6/2016 2pm'. At the bottom of the poster, it says 'Organized by Department of Malayalam'. On the right side of the image is a photograph showing a group of students in a classroom or library setting. They are seated at long tables, looking at books and papers, engaged in a reading activity. The students are dressed in light-colored shirts, likely school uniforms.

On 9th July, 2019, Budget Analysis programme was conducted by the Department of Economics. The objective of the Budget analysis was to enable the students to be familiar with the features of the budget for the year 2019-2020. The class was lectured by Smt. NishaSasikumar, the Vice Principal.

All the students who participated the programme were well motivated by the class. The programme enabled the students to understand many welfare schemes of the budget. The students clearly understood the meaning of tax brackets and the tax brackets of the new budgets. The students interacted with teachers and themselves to clarify doubts related to budget.

Really it was an awesome programme that enabled the audience to understand the important features of the Budget. 34 students participated in the programme.

Commerce Expo 2020

15th February 2020

Commerce expo was conducted on 15th February 2020, as a part of commerce association day. It was a competition among three commerce branches which were finance, co-operation and computer application. First year, second year and third year students of each branch gathered together to execute the expo. There were many models like ATM, Stadium, Kinbra park, Network topology etc. and various informative charts prepared by students. The program was inaugurated by Ms. Girija, Assistant Professor, SN College. Ms. Durga N (HOD, Management Department), Ms. Sarala K T (College Co-Ordinator), and Mr. Rajesh kumar (PRO) judged the expo. The final result was as follows:

Computer Application Branch has won the expo competition by 53 points. Co- operation branch got the next position with 52 points and Finance branch, last but not the least with 43 points.

It was a wonderful effort from the side of students of each branch. All the teachers, students and also outsiders have involved in the Expo show. The competition showed the enthusiasm and team spirit of students. The one-day program of Commerce Expo 2K20 has executed successfully.

BECO - Treasure-Hunt Programme - Report

As part of the Best Economist series of programmes, the department conducted the programme Treasure-Hunt. The students have to go through different tasks to reach the treasure. Each task tests some unique talents of the students. Coding and decoding systems were introduced. The objective of the programme is to improve the multi-faceted skills of the students. The students have to utilize their cognitive, spatial, kinetic and other forms of intelligence to trace and find the treasure. Three teams participated in the programme as given below.

Participants of the Teams

Amartya Sen	Robinson	Keynes
Ragendu (IIIBA)	Sruthi N (IIBA)	Sruthi M (IIIBA)
Arun (II BA)	Vijitha (II BA)	Ashiq (III BA)
Reena (III BA)	Suchithra (I BA)	Rinshana (II BA)

Team Robins won the first place and the team Keynes won the second place. The game was very much interesting for the students. They understood the application level learning by doing multi tasks.
