GREEN CAMPUS

UNIVERSITY OF CALICUT

Date ; 03/06/2020

GENERAL BODY MEETING

AMC Green Campus team had created a Nature Club in our campus. We selected students from all classes who have interest in nature and social work. We gave priority to those students who had worked in NCC, NSS or Student police in their school. In our meeting we decided to implement Green Campus rules and regulations in our campus as per Go Green concept put forward by University of Calicut. We divided the students into 5 groups and we named it as, Agni, Vayu, Jhelem, Bhoomi, and Akasham, the five power of nature. We gave 2 leaders to co-ordinate it effectively. They were Nikhil of final BBA and Amritha of final Bcom co-operation. We decided to implement Green Campus concept through various programmes. Apart from this concept we also planned to do programmes like

film festival, social service works, helping hand to old age homes, organic farming, short film in the campus.

ORGANIC FARMING

Due to the covid pandemic issue we didn't have the option to bring all the students to college campus. So with the help of karmasena co-ordinator Nikhil and Hareeshlal, we decided to continue our organic farming. We followed the covid protocol and government rules and gradually we planted new set of vegetables. Our new set consists of 10 lady's finger, 10 tomatos, 20 pea, and 20 chilly saplings.
