Staff tour 2016-2017

Munnar

17/12/2016

Munnar is a sought after hill station in Kerala. In the academic year 2016-2017, the staff of AMC Group of Educational Institutions set out a one day trip to Munnar. It is famous for Tea Gardens, Eravikulam National Park, Anamudi peak etc.

We started early in the morning from the college campus and reached there around 10 am. We rejuvenated ourselves with a hot cup of Munnar tea and after that we visited various places of tourist interest. As Munnar is famous for spices and tea, we did shopping.

Since many of the places of interest required a walk, we enjoyed the walk and at the same time we got exhausted and tired by the end of the day. We packed ourselves by evening and reached the campus by late night. Everyone enjoyed the trip.
